

BICENTENNIAL NORTH CHROME BOOK DISTRIBUTION

April 7th and April 8th

Dear Bici North Families,

Next week we will distribute one Chrome Book per family. Due to the large number of devices we have to distribute at North, distribution will take place on both April 7th and April 8th. In order for us to distribute the devices in the most efficient manner, we have established some guidelines. Please take a minute to read the guidelines below so that you are prepared for your scheduled pick up time. It is critical that you come at your assigned time. If you come at another time, we will not have your paperwork and will not be able to check out a device to you.

If you have any questions, please call our office on Monday, 623-237-4009.

Thank you,

Tamie Nicol, Principal
