December 2021

Dear Bici North Families,

It's hard to believe we are halfway through the year already! As we finish up these last two weeks of the semester, it is very important that your student is at school and on time each day. We have four critical assessments that need to be completed before the Winter Break: Writing Benchmark, Reading Benchmark, Math Benchmark and the i-Ready Reading Diagnostic. The data from each of these assessments will be used to plan for instruction and intervention for students. It is crucial that we have the most accurate data possible. Please encourage your child to do their very best on each of these assessments.

In addition to the assessments, students are completing their class work for Quarter 2. Report cards will go home the week after Winter Break.

Movie Night with Santa

This Friday is the annual PTO Movie Night with Santa. Admission to the movie and pictures with Santa are free. There will be a variety of food items available for purchase. Masks are required and students must attend with a parent or guardian. We hope to see you there!
