February 2022

Hello Bici North Families,

We will begin scheduling community meetings regarding the closure of North and the transition to a K-8 campus at South for the 22/23 school year. More information to come.

We continue to have a large number of absences. If your student is sick, has tested positive, or has had close contact with someone that is COVID positive, we want them to stay home, rest and get well. Otherwise, we need them at school and on time so we can maximize instructional time and learning. If your student is quarantined at home, they can access their teacher's Google Classroom so they can keep up with the class. Please contact their teacher if you have any questions.

### Remind

Remind is a private mobile messaging platform/app we use that allows teachers, parents, students, and administrators to communicate. Teachers can send messages to individual parents and students. They can also message their entire class and the grade level. In addition, we use Remind to send out school wide information and announcements. To join Bicentennial North School and begin receiving messages from the school simply text @bicins to 81010 or click on this link <https://www.remind.com/join/bicins> and follow the instructions. Once you've joined the School, you can search for your student's teacher(s) and join their classrooms.

### Upcoming Events

1/31-2/18/2022 AZELLA Testing

2/7-2/11 Say Something Week

2/14 PTO @8:30
