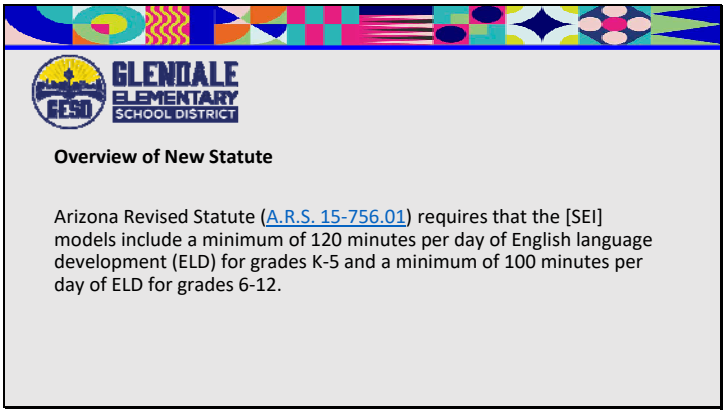
Dr. Gerry Petersen-Incorvaia
Assistant Superintendent Educational Services
gpetersen@gesd40.org
623-237-7184

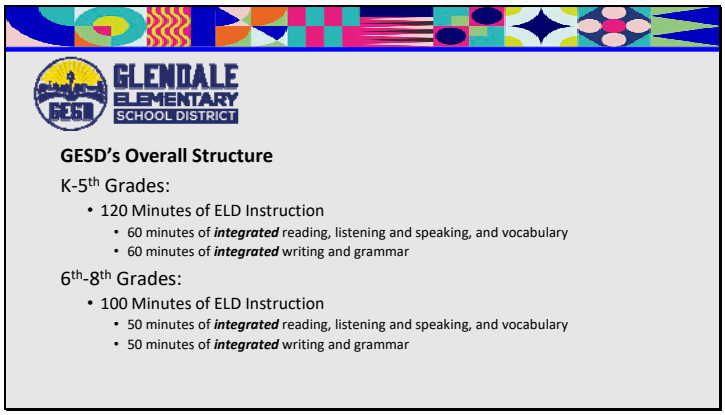
Ms. Segotta-Jones congratulated staff and students for their work to improve student achievement. She noted that if there was an accountability system for K-3 schools, our schools would be at a level B. She also pointed out that there are about five schools on the cusp of becoming A schools.

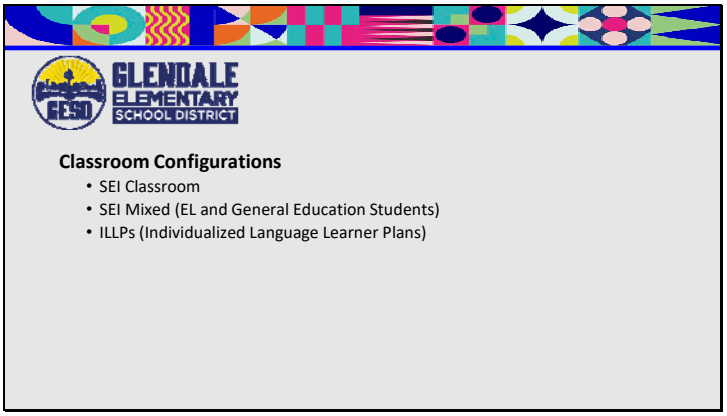
Ms. Bartels commented on the success of schools depending on K-3 campuses. Ms. Smith also noted the A grades for the high schools the District feeds into.

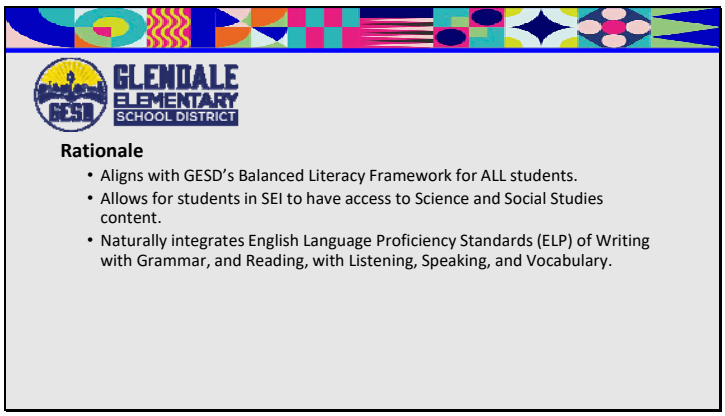
GESD English Language Development (ELD) Model

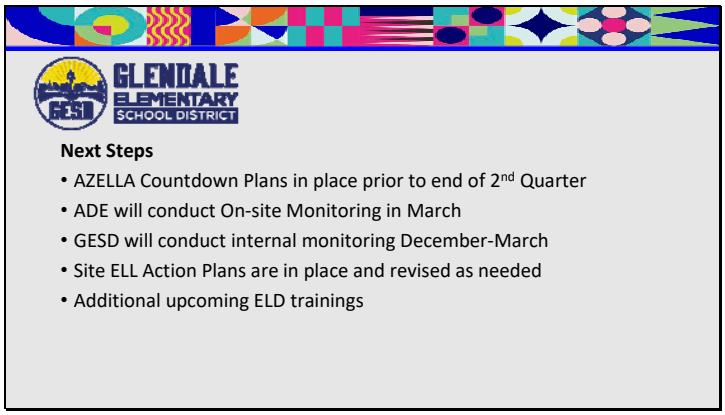
Administration presented a report on GESD's 2019-2020 framework, model and support for responding to the new English Language Learner (ELL) legislation. Dr. Gerry Petersen-Incorvaia and Ms. Alex Garcia reviewed the following presentation:











Ms. Smith thanked Ms. Garcia for sharing the District's plan, and asked to be provided with status updates later down the road. Ms. Wilson agreed that ongoing reports would be valuable.

**ACTION ITEMS**

**DISCUSSION ITEM**
Governing Board Self Evaluation

The Governing Board conducted its annual self-evaluation pursuant to Board Policy BAA Evaluation of School Board. The Board reviewed the compilation of responses from all Board members. Ms. Smith noted Section E – Board Relationship with Instructional Program and Section F – Financial Management of Schools were two areas where Board members shared concerns. She invited Board members to make comments on the evaluation.

Ms. Pimentel suggested looking at the items which the Board has disagreements to help get everyone on the same page.

Ms. Wilson noted some of her comments were listed incorrectly. She would like the Board to focus on the areas with lower scores.

Ms. Bartels agreed the Board should identify areas the Board can dig deeper in order to develop goals around. She would like to have discussions prior to the NSBA conference so that sessions can be attended targeted on the areas in need of attention.

Ms. Smith asked the Board when these areas can be looked into more closely at future meetings. She also asked how the Superintendent would like to proceed with gather information about the areas of concern.

The Board agreed a study session would be the best format to address the areas of concerns in order to develop goals. Ms. Segotta-Jones noted the Strategic Plan will be presented at the December 12th meeting. She suggested the goals in the plan would be helpful in the Board determining its own goals, and the study session could take place after that Strategic Plan presentation. The Board asked to have the discussion directly following the Strategic Plan presentation meeting. The Board agreed to begin the meeting at 4:00 p.m. on December 12th to allow time for the study session.

Ms. Smith asked Board members to come prepared to discuss their goals at the December 12th meeting.

**FUTURE MEETINGS**
Future Meetings and Agenda Item Request

A list of upcoming meetings was reviewed. The November 21st meeting has been vacated. The next meeting will take place on December 12th, it will begin at 4:00 p.m. to allow time for a study session.

Governing Board Members were given the opportunity to request items to be included on future meeting agendas for discussion, information and/or action.

**SUMMARY OF BOARD AND SUPERINTENDENT CURRENT EVENTS**
Ms. Segotta-Jones thanked Veterans for their service, and the Horizon band for performing tonight.

Ms. Pimentel thanked staff for their work to better the lives of our children. She also expressed her gratitude for the opportunity to serve the District on the Governing Board.

Conference/Workshop Title: National ESEA Conference
(Reason for Travel)

1. Relevance of conference/workshop to employee(s) work responsibilities:

I am writing to request approval to attend the 2020 National ESEA Conference to be held in Atlanta, Georgia on February 4 – 7, 2020 at the Georgia World Congress Center. The National ESEA Conference is four days of learning and skill building focused on supporting disadvantaged children. Conference sessions are a combination of large group presentations with nationally recognized speakers, and smaller interactive workshops where I would have the chance to work directly with education experts. The new information that I will be able to share with the rest of our team will be extremely valuable.

2. How will employee(s) share information with colleagues?

This learning will be directly applied in implementing ESSA requirements to remain compliant with federal law in all areas as well as application of cutting edge strategies to other federal grant programs.

3. How is the conference/workshop related to district, school or department goals and or objectives?

The National ESEA Conference welcomes thousands of K-12 educators like us from across the country each year. Formerly called the National Title I Conference, the event now has an expanded focus, with presentations pertinent to Title I, as well as a host of other federally funded education programs addressing the needs of disadvantaged students. We will be gaining new knowledge, instructional strategies, and skills needed to transform student learning while changing the future for our students, helping to close the achievement gap and providing a well rounded education.

Conference/Workshop Title: Teacher Institute
(Reason for Travel)

1. Relevance of conference/workshop to employee(s) work responsibilities:

During the Teacher Institute, our teachers will hear from national presenters (Doug Fisher and Nancy Frey are key note speakers) and will learn new information and techniques to enhance their instructional practices. Both the Teacher Institute and Leading Change will have a focus on teams and have time set aside each day for teams to collaborate on plans for the upcoming school year and to process their new learning. John Hattie will be a keynote speaker during the Leading Change portion. All three keynotes have published research and books that GESD uses in our professional learning and align with the work we are doing.

2. How will employee(s) share information with colleagues?

Classroom teachers that attend will share their new learning with their teammates during grade level summer work as well as during the school year through their collaborative team time. The team attending the institute will also have collaboration time during the institute to discuss and plan how they will implement their new learning.

3. How is the conference/workshop related to district, school or department goals and or objectives?

John Hattie will be a keynote speaker during the Leading Change portion and Doug Fisher and Nancy Frey will be speaking during the Teacher Institute. All three keynotes have published research and books that GESD uses in our professional learning and align with the work we are doing.

Conference/Workshop Title: SDE National Conference: I Teach Strands
(Reason for Travel)

1. Relevance of conference/workshop to employee(s) work responsibilities:

   The SDE National Conference has a focus on student achievement and sessions specifically designed that align with teaching reading effectively. The team that would be attending this conference would benefit by being trained in specific foundational skill strategies and approaches to teach reading effectively, which can then be implemented from the start of the 2020-2021 school year. The conference will allow for each member of the team to attend grade level specific ELA sessions. As we continue to support our intervention systems, this conference will give many opportunities to learn and grow together as a team, as well as individually, to provide better Tier 2/3 interventions to students struggling to decode in early grades. Overall, this professional development opportunity will help improve all three tier levels in our school to support students and increase achievement.

2. How will employee(s) share information with colleagues?

   Staff attending this conference will disseminate information throughout the year to teachers. Once a month, in the 20-21 school year, we will have job-embedded professional development in grade level PLCs. Teachers will have multiple opportunities throughout the year share information with their team and discuss instructional strategies for student growth and achievement.

3. How is the conference/workshop related to district, school or department goals and or objectives?

   As a part of our 2020-2021 integrated action plan we are striving to maximize PD effectiveness by embedding it into grade level PLCs. This conference will enhance our ability to provide effective instructional strategies to staff.

# ACTION AGENDA ITEM

AGENDA NO: 7.C TOPIC: 2019-2020 Expenditure Budget Revision

SUBMITTED BY: Ms. Valerie Caraveo, Director of Finance and Purchasing

RECOMMENDED BY: Mr. Mike Barragan, Assistant Superintendent for Finance and Auxiliary Services

DATE ASSIGNED FOR CONSIDERATION: December 12, 2019

RECOMMENDATION:
It is recommended the Governing Board approve the 2019-2020 Expenditure Budget Revision #1 as presented.

**RATIONALE:**

The District is required to revise its budget by December 15 pursuant to A.R.S. § 15-905(E). While Glendale Elementary School District anticipated a decrease in enrollment, the decrease was greater than originally expected. The budget revision reflects a lower Revenue Control Limit (RCL) and decrease in the Maintenance and Operation (M&O) override amount.

The Revised Budget includes the following adjustments:

| | |
|---|---|
| Decrease in Average Daily Membership | -434 |
| Decrease in RCL | -$2,912,085 |
| Decrease in M&O Override amount | -$436,812 |
| Increase in Budget Balance Carryforward | $901,411 |
| **Net change in General Budget Limit** | **-$2,447,486** |
| | |
| Salary Reductions | -$1,097,486 |
| Maintenance reductions | -$550,000 |
| Business Services | -$500,000 |
| Transportation reductions | -$300,000 |

Unrestricted Capital Budget Limit increased $1,114,527 because of lower expenses in fiscal year 2019 than anticipated.

*The administration will revise the budget once the 100th day average daily membership data is available.

## CALCULATION OF SMALL SCHOOL ADJUSTMENT PHASE DOWN LIMIT

**Applies to any district that operated under the provisions of the small school adjustment (A.R.S. §15-949.A), and exceeded the allowable student counts for the first time before FY 2000. Districts that operated under the provisions of a small school adjustment and exceeded the allowable student counts for the first time after FY 1999, should refer to the next section to calculate their maximum override.**

If in FY 2020, the K-8 student count is greater than 125 but less than 154, or the 9-12 student count is greater than 100 but less than 176, the district may continue to adopt a budget using a small school adjustment on page 7, line 4 of up to $50,000 without an election. **OR** If the district holds an override election as provided in A.R.S. §15-481, the district may include up to the amount calculated below on page 7, line 3(a). **For purposes of small school adjustment, the FY 2020 student count is the 2019 ADM.**

1. A district whose student count K-8 has exceeded 125 but is less than 154 may determine the small school adjustment phase down as follows:

| | | | | |
|---|---|---|---|---|
| a. | Phase down base | | | $ 150,000.00 |
| b. | FY 2020 K-8 student count | 0.000 | | |
| c. | Small school student count limit | - 125.000 | | |
| d. | Student count above the small school limit | = 0.000 | | |

| h. | Phase down reduction factor | | - | $ 0.00 |
| i. | Grades K-8 small school adjustment phase down limit | | | $ 0.00 |

2. A unified or union high school district whose student count in grades 9-12 has exceeded 100 but is less than 176 may determine the small school adjustment phase down as follows:

| | | | | |
|---|---|---|---|---|
| a. | Phase down base | | | $ 350,000.00 |
| b. | FY 2020 9-12 student count | 0.000 | | |
| c. | Small school student count limit | - 100.000 | | |
| d. | Student count above the small school limit | = 0.000 | | |
| e. | Adjusted Support Level Weight (See Table II at right for calculation) | x 0.000 | | |
| f. | Weighted student count above small school limit | = 0.000 | | |
| g. | Base Level Amount | x 0.00 | | |
| h. | Phase down reduction factor | | - | $ 0.00 |
| i. | Grades 9-12 small school adjustment phase down limit | | | $ 0.00 |

| | | | |
|---|---|---|---|
| 3. | For unified districts that qualified for a phase down limit for K-8 or 9-12 but not both, enter 10% of the RCL attributable to the nonqualifying K-8 or 9-12 weighted student count as provided in A.R.S. §15-971(B)(2)(a). | | $ 0.00 |
| 4. | Allowable Small School Adjustment, subject to an election | | $ 0.00 |
| 5. | 10% of the District's Total RCL | | $ 0.00 |
| 6. | Maximum override, subject to an election (Greater of line 4 or line 5) | | $ 0.00 |

## ADJUSTMENT

**Applies to any district that operated under the provisions of a small school adjustment (A.R.S. §15-949.A) and exceeded the allowable student counts for the first time after FY 1999. Districts that operated under the provisions of the small school adjustment and exceeded the allowable student counts for the first time before FY 2000, should refer to the section above.**

If in FY 2020, the K-8 student count is greater than 125 but less than 181, or the 9-12 student count is greater than 100 but less than 185, the district may hold an override election as provided in A.R.S. §15-481. The maximum amount the district may budget on Budget, page 7, line 3(a), subject to an override election, is the amount calculated below. **For purposes of small school adjustment, the FY 2020 student count is the 2019 ADM.**

1. A district whose K-8 student count has exceeded 125, but is less than 181 may determine the maximum small school adjustment override as follows:

| | | | | |
|---|---|---|---|---|
| a. | FY 2020 K-8 student count | 0.000 | | |
| b. | Small school student count limit | - 125.000 | | |

2. A district whose 9-12 student count has exceeded 100, but is less than 185 may determine the maximum small school adjustment override as follows:

| | | | | |
|---|---|---|---|---|
| a. | FY 2020 9-12 student count | 0.000 | | |
| b. | Small school student count limit | - 100.000 | | |
| c. | Student count above the small school limit | = 0.000 | | |
| d. | Phase-down factor | x 0.0065 | | |
| e. | Result | = 0.0000 | | |

GLENDALE ELEMENTARY SCHOOL DISTRICT

# DISCUSSION AGENDA ITEM

AGENDA NO: 8.A. TOPIC: Bus Driver Shortage

SUBMITTED BY: Mr. Mike Barragan, Assistant Superintendent for Finance and Auxiliary Services

RECOMMENDED BY: Mr. Mike Barragan, Assistant Superintendent for Finance and Auxiliary Services

DATE ASSIGNED FOR CONSIDERATION: December 12, 2019

The Governing Board and Administration will discuss the bus driver shortage impacting the District's Transportation Department.

**RATIONALE:**

Like school districts across Arizona, Glendale Elementary School District (GESD) is experiencing a shortage of bus drivers and therefore we have not been able to be fully staffed all year. As you well know, this has resulted in delays as we pick up and drop off students. Based on our transportation staffing on any given day we are adjusting our bus routes in order to minimize delays. This is not an optimal situation for anyone.

We are advertising across the Valley for drivers. For example, in addition to want ads, we are advertising on billboards, our marquees and social media in an attempt to attract drivers to GESD. However, we are losing drivers to other districts and/or entities who pay a higher hourly rate. It has becoming difficult to compete with other districts and/or entities. We must take steps to bring relief to our students, parents, teachers, staff and our bus drivers.
