RECOMMENDED BY: Mr. Mike Barragan, Assistant Superintendent of Finance and Auxiliary Services

DATE ASSIGNED FOR CONSIDERATION: April 23, 2020

RECOMMENDATION:

RATIONALE:

Catholic Charities, with a grant from the Federal Government, will place a modular unit on the Melvin E. Sine School Site for use in a Head Start Program. The lease is for a period of 15 years. GROUND LEASE

GLENDALE ELEMENTARY SCHOOL DISTRICT #40,
a political subdivision of the State of Arizona

Landlord

and

CATHOLIC CHARITIES COMMUNITY SERVICES, INC.,
an Arizona nonprofit corporation

Tenant

GROUND LEASE

This Ground Lease (the “**Lease**”) is entered into as of _____ 2020 between **GLENDAL E ELEMENTARY SCHOOL DISTRICT #40**, a political subdivision of the State of Arizona (“**Landlord**”) and **CATHOLIC CHARITIES COMMUNITY SERVICES, INC.**, an Arizona nonprofit corporation (“**Tenant**”).

BACKGROUND:

A. Landlord owns the parcel of land in Maricopa County, Arizona described on **Exhibit A** (the “**Site**”). As of the Commencement Date, Landlord will operate the Melvin E. Sine Elementary School (the “**School**”). Together, the Premises (defined in Section 1.2 below) and the School Site comprise the Site.

B. Tenant desires to build and to operate on the portion of the Site comprising the Premises a facility for early childhood education programs and a family support center and related programs, including Early Head Start and Head Start programs under applicable federal law, all of which will directly or indirectly support and advance the education mission of Landlord. Decades of research show that children who are stimulated and nurtured during the critical first years of life are less likely to require remedial or special education and more likely to read at grade level and graduate from high school.

C. Specifically, subject to Tenant obtaining sufficient funding and any required agency approvals, Tenant desires and intends to provide all or some of the following services (the “**Program**”) on the Premises:

1. a center (the “**Center**”) for education and development of children aged birth to five years;
2. a curriculum designed to contribute to and enhance the potential for success and kindergarten readiness of children age birth to five years who are (i) at risk for failure or difficulties in school and are qualified as Early Head Start- and Head Start- eligible, (ii) not identified as in need of special services, but are children of low-income families; (iii) identified as having special needs; and (iv) not identified as at-risk, but who desire to attend the Center under a fee-paying arrangement;
3. a classroom environment that promotes development in both students and teachers;
4. a training institute for educators; and
5. an educational and social service assistance component for parents.

D. Landlord desires to have such Program operated in proximity to the School to provide services to students and families within the Landlord’s district boundaries, to assist parents so that they may better foster their children’s education and development while their children are participating in the Program and when they enroll in Landlord’s schools, and to enhance the potential for success and kindergarten readiness of future students of the Landlord.

E. Landlord will receive substantial benefit from having such Program operated in proximity to the School, including the provision of support services to families of students in the Landlord's district, enrollment of additional students resulting in increased student population and funding, and reduced need for Landlord to provide remedial services, including language and speech therapy, to incoming kindergarten students.

F. Landlord is allowing Tenant to place a modular classroom on Landlord's real property. Nothing in this Lease gives Tenant or the federal government a permanent interest in Landlord's real property. At the termination of this Lease, Tenant shall remove the modular building and will have no further rights hereunder. Title to the real property remains vested in Landlord during and after the term of this Lease.

THEREFORE, inconsideration of the foregoing and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Landlord and Tenant enter into this Lease on the following terms and conditions:

1. LEASE OF PREMISES

1.1 **Incorporation of Recitals.** The "**Background**" recited above is incorporated into and constitutes part of this Lease.

1.2 **Lease.** Landlord hereby leases to Tenant, and Tenant Leases from Landlord, for the Term and on the terms and conditions set forth in this Lease, that parcel of real property in Maricopa County, Arizona described on **Exhibit B**, together with all other improvements located thereon and all rights and easements appurtenant thereto (the "**Premises**").

2. DISCLAIMERS

2.1 **Tenant's Investigations.** Tenant acknowledges that this Lease is entered into by Tenant in reliance upon its own investigations of all matters pertaining to the Premises, including, all physical, geotechnical, environmental, financial and legal matters.

2.2 **Title Matters.** This Lease is subject to all easements, covenants, restrictions, and other matters of record.

2.3 **As Is.** The lease of the Premises to Tenant is and will be on an "AS IS" basis without representations or warranties of any kind or nature, express, implied or otherwise, including any representation or warranty concerning the title to, or physical, environmental, financial or legal condition of, the Premises, or of any income, expenses, charges, liens, encumbrances, rights or claims on or affecting or pertaining to the Premises or any part thereof.

2.4 **No Improvement Obligations on the Part of Landlord.** Landlord shall have no obligation to make any improvements or alterations whatsoever to or for the benefit of the Premises.

2.5 **School Site.** Tenant acknowledges that Landlord has made no agreement or representation with respect to how, when, whether, or for what purpose the School Site may be used or redeveloped.

2.6 **Parties' Responsibility.** Both parties understand and acknowledge the covenant of good faith and fair dealing and agrees to disclose any fact concerning the Premises that can materially affect the Tenant's decision to occupy the premises or Landlord's decision to enter into this Lease.

3. TERM AND DELIVERY

3.1 **Term.** The term of this Lease is fifteen years, commencing upon the date hereof (the "**Commencement Date**"). Possession of the Premises is delivered to Tenant upon execution of this Lease by Landlord and Tenant.

3.2 **Option to Terminate.** If the School permanently closes, Tenant shall have the right to terminate this Lease by written notice to Landlord, subject to compliance with Tenant's obligations under Section 19.

4. USE OF PREMISES

4.1 **Permitted Uses.** Tenant shall use and occupy the Premises for early childhood education programs and a family support center and related programs, including Early Head Start and Head Start programs under applicable federal law, and for other purposes that are compatible with the operation of the School and are otherwise complementary with and supportive of the goals and purposes of Landlord as a public school district (collectively, the "**Permitted Uses**"). In no event shall the Permitted Uses include any use specifically prohibited by this Lease.

4.2 **Priority Placement.** Tenant shall reserve a minimum of 20 slots in the Program for children in the Glendale Elementary School District #40 who meet the eligibility requirements, with the intention to serve as many children from that district as possible. To the extent that there remains room in the program for children from outside that district, such children may also be enrolled.

4.3 **Prohibitions.** Tenant shall not cause or maintain any nuisance in or about the Premises and shall keep the Premises free of debris and conditions that pose safety risks to children or others. Tenant shall not engage in any activity that is incompatible with the operation of the School, that will compete with or supplant services provided by Landlord, or that will otherwise divert students and/or funding from Landlord. Landlord shall not interfere with the operation of the Permitted Uses on the Premises.

4.4 **Definition of Buildings and Improvements.** Buildings constructed on the Premises or on the School Site, including both the existing buildings and any replacements thereof, are referred to as "**Buildings**." The Buildings, together with landscaping, paved areas, and other improvements on the Premises or on the School Site, as applicable, are referred to as "**Improvements**."

4.5 **Compliance with Law.** Tenant shall comply with all statutes, laws, rules, orders, regulations, standards, ordinances, judgments, decrees and injunctions of federal, state and local governmental entities, if any, having jurisdiction, including without limitation the Head Start Act of 2007 (collectively, "**Applicable Law**") affecting the Premises or the design, construction, use, occupancy, repair, renovation, replacement or alteration of Buildings or other Improvements

thereon or businesses or activities conducted thereon, whether now or hereafter enacted and enforced. Tenant specifically agrees to comply with the fingerprinting requirements of Arizona Revised Statutes § 15-512(H) shall require its employees, and any contractor, subcontractor, vendor, or any employee of any contractor, subcontractor or vendor who is contracted to provide services on a regular basis at the Site to obtain a valid fingerprint clearance card pursuant to Arizona Revised Statutes § 41-1758 *et. seq.* If Improvements or alterations of any kind on the Premises, regardless of scope or nature, are necessary to comply with any requirements imposed by Applicable Law, Tenant shall be solely responsible for making the required improvements or alterations at its sole expense. Landlord shall comply with all Applicable Law affecting the School Site or the design, construction, use, occupancy, repair, renovation, replacement or alteration of Buildings or other Improvements thereon or businesses or activities conducted thereon, whether now or hereafter enacted and enforced.

4.6 Compliance with Environmental Laws. Without limiting the provisions of Section 4.5:

(a) Tenant with respect to the Premises and Landlord with respect to the School Site each shall comply with all federal, state, and local laws, rules, orders, regulations, policies and standards pertaining to health or the environment (“**Environmental Laws**”), including, without limitation, the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended (“**CERCLA**”) and the Resource Conservation and Recovery Act of 1987, as amended (“**RCRA**”);

(b) Neither Tenant nor Landlord shall dispose of nor permit or acquiesce in the disposal of any waste products (including, but not limited to, paints, solvents, or paint thinners) in or about the Site in violation of Environmental Laws;

(c) Each party shall promptly notify the other of any release of regulated substances in violation of Environmental Laws of which the notifying party becomes aware and of any notice from or correspondence with any agency administering Environmental Laws relating to the Site; and

(d) Tenant shall defend, indemnify and hold harmless Landlord and its governing board members, administrators, partners, officers, agents, employees, successors and assigns from all costs, claims, demands, and damages, including attorneys’ fees and court costs and investigatory and laboratory fees, related to any breach of Environmental Laws caused by Tenant during the Term of this Lease, excluding only any breach caused by Landlord. This indemnification obligation shall survive the termination or expiration of this Lease.

(e) Landlord shall be solely responsible for all costs, claims, demands, and damages, including attorneys’ fees and court costs and investigatory and laboratory fees, related to any breach of Environmental Laws occurring on School Site or caused by Landlord or existing on the Site prior to the Commencement Date, excluding only any breach caused by Tenant. Nothing in this Lease shall limit or modify Landlord’s rights and remedies against persons not parties to this Lease.

4.7 **Compliance with Federal Laws.** Tenant understands and acknowledges the applicability of the Immigration Reform and Control Act of 1986, the Drug Free Workplace Act of 1989 and the Americans with Disabilities Act to it. Tenant agrees to comply with the all such laws in performing all activities undertaken under this Lease and agrees to permit Landlord to inspect its personnel records to verify such compliance. In addition to the foregoing, the parties shall sign an Addendum to Lease, in the form set forth in **Exhibit C** hereto, which includes the U.S. Federal Government requirements for the investment of funds by Tenant in the remodeling.

4.8 **Landscaping Restrictions.** Tenant shall not install or otherwise keep on the Premises any varieties of trees or other plants that are not “child-friendly” as determined by Landlord with reference to its own landscaping policies. By way of example, plants with thorns such as cactus, palo verde, agave, and cholla, poisonous plants such as oleander, and fruit-producing plants of any kind shall not be used unless specifically approved by Landlord. Landlord and Tenant shall cooperate in the development of a suitable landscaping plan.

4.9 **Utility Easements.** Landlord shall reasonably cooperate upon request with the granting of any utility easements that may be necessary for utility service to the Premises.

5. RENT AND OTHER PAYMENTS

5.1 **Base Rent:** Landlord acknowledges receipt from Tenant of the Base Rent for the entire Term in the amount of \$10.00. In the event of a termination of this Lease prior to the expiration of the full 15-year Term for any reason whatsoever, no part of the Base Rent shall be refundable.

5.2 Utilities and Taxes

(a) Tenant shall arrange and pay or cause to be paid when due all charges for water, sewer, electrical power, telecommunications, and other utilities provided to the Premises. Any utility deposits shall remain the property of Tenant. If, with Landlord’s reasonable consent, Tenant obtains its water supply by connection to Landlord’s water supply line, then Tenant shall cause its water consumption to be separately metered or sub-metered, and if Tenant’s water consumption is billed by the City of Glendale to Landlord, Tenant shall pay its share of such water charges based upon its usage as shown by the sub-meter. Landlord and Tenant shall establish reasonable procedures for reading such sub-meter, allocating charges on Landlord’s water bill, invoicing Tenant for its share, and timely payment of the amount invoiced. Notwithstanding the foregoing, so long as the School continues to be operated as a public school, charges for water used by Landlord to irrigate and maintain landscaping on the Premises pursuant to Section 6.2 shall be paid by Landlord without reimbursement from Tenant.

(b) Landlord and Tenant do not contemplate that the Premises, the Buildings, or Tenant’s business will ever be subject to property or other taxes. Nevertheless, if any such taxes shall ever be applicable, Tenant shall pay before delinquent:

(i) any general or special real property taxes or assessments or any other tax of any kind, including without limitation any supplemental taxes or assessments, that may be levied on or with respect to the Premises, Buildings, or this Lease during the Term;

(ii) all taxes levied or assessed upon, measured by, or arising from: (A) the conduct of Tenant's business; (B) Tenant's leasehold estate; (C) Tenant's property; and (D) any sublease of any part of the Premises or rental derived therefrom; and

(iii) all sales, use, transaction privilege, or other excise tax that may at any time be levied or imposed upon, or measured by, any amount payable by Tenant under this Lease.

(c) Upon request from time to time, Tenant shall furnish to Landlord written evidence of payment of the foregoing items, if and to the extent applicable.

5.3 **Net Lease.** This Lease is intended to be a "net lease" pursuant to which Landlord is guaranteed receipt of the full Base Rent net of all costs of ownership or operation of the Premises, except as otherwise specifically provided in this Lease. Tenant shall bear all costs and expenses of ownership, operation, construction, financing, alteration, leasing, compliance with law, fines, penalties, taxes, utilities (subject to Section 5.2(a) above), insurance, bonding, and all other costs whatsoever related to the Premises, whether or not specifically described in other Sections of this Lease. Tenant acknowledges that but for Tenant's assumption of complete responsibility for costs as described above, Landlord would not enter into this Lease with Tenant.

6. MAINTENANCE

At all times during the Term, Tenant shall maintain the Premises and all Improvements on the Premises in good condition and repair, comparable to the good quality of appearance of the School Site maintained by the Landlord as of the date of this Lease, and Tenant shall make all replacements, including replacements of landscaping, as may be necessary to keep the Improvements on the Premises in such condition.

7. CONSTRUCTION

7.1 **Construction.** All initial construction and alterations to Buildings or other Improvements on the Premises or on the School Site and any restoration work following damage to Buildings or other Improvements (collectively, "**Construction**") shall be subject to the provisions of Sections 7.2, and 7.5.

7.2 **Site Plan.** The initial Buildings and other Improvements constructed on the Premises shall be substantially in accordance with a site plan approved in writing by Landlord.

7.3 **Commencement and Completion.** Once Construction is commenced, such Construction shall be pursued diligently to completion subject only to delays excused pursuant to Section 21.3. Prior to commencement of Construction by Tenant, Tenant shall provide to Landlord copies of all governmental permits or approvals related to the Construction.

7.4 **Intentionally Omitted.**

7.5 **Construction Requirements.** Tenant shall perform Construction on the Premises at its sole cost and expense, in a good workmanlike manner, and in compliance with Applicable

Law, including but not limited to the Arizona School District Procurement Code as codified in the Arizona State Board of Education Rules A.A.C. R7-2-1001 *et seq.*, 45 C.F.R. Part s75.326-335, or Catholic Charities Procurement Code, whichever is the strictest. Tenant's general contractor shall be licensed in Arizona. Tenant shall comply with Applicable Law with respect to dust control and storm water pollution protection. Tenant shall barricade all construction areas with a suitable fence while Construction is being performed and shall comply with such reasonable requirements as Landlord may impose with respect to construction traffic, daily clean-up of the construction site, and other matters reasonably required to avoid or to minimize adverse impacts on the operation of the School. Tenant shall require its general contractor and any subcontractors to remain within the barricaded construction areas and refrain from having contact with students when the students are present on the Site. Tenant also shall require its general contractor and any subcontractor, vendor, or any employee of its general contractor, subcontractor or vendor who is contracted to provide services on a regular basis at the Site to obtain a valid fingerprint clearance card pursuant to Arizona Revised Statutes § 41-1758 *et seq.* Tenant shall not permanently affix the modular unit to Landlord's real property.

7.6 School District's Liability. Unless otherwise agreed by Landlord, Tenant shall procure or cause its general contractor to procure payment and performance bonds with respect to all construction work to be performed on the Premises. Landlord shall be a co-obligee on the payment and performance bond or bonds. Tenant agrees to keep the title to the parcel of land in Maricopa County, Arizona described on **Exhibit A** (the "Site") and every part thereof free and clear of any lien or encumbrance in respect of such work, and shall indemnify and hold harmless Landlord against any claim, loss, cost, demand or legal or other expense, whether in respect of any lien or otherwise, arising out of the supply of material, services or labor for such work.

8. **PARKING**

Landlord shall provide sufficient parking facilities on the School Site to accommodate the normal daily parking needs of the School. Tenant shall provide sufficient parking facilities on the Premises to accommodate the normal parking daily needs of the operations of the Program on the Premises. Landlord shall use reasonable efforts to cause its employees and visitors to use the parking facilities on the School Site and Tenant shall use reasonable efforts to cause its employees and visitors to use the parking facilities on the Premises. Landlord shall allow parking facilities on the School Site to be used overflow parking associated with special events on the Premises, and Tenant shall allow parking facilities on the Premises to be used overflow parking associated with special events on the School Site. By way of example, parent-teacher conferences or band or other performances would constitute special events. Landlord and Tenant each shall give to the other advance notice of planned special events and shall use reasonable efforts to avoid the scheduling of special events by both parties at the same time.

9. **SIGN**

All signage installed or displayed by Tenant shall comply with Applicable Law. Subject to Landlord's reasonable approval as to size, design, and placement, Tenant shall install a marquee sign on the School Site for Tenant's signage. Tenant shall be responsible for all costs and expenses related to its signage, including, to the extent applicable, costs of permits, fabrication, design, installation, and maintenance.

10. ASSIGNMENT AND SUBLETTING

10.1 **Assignment.** Tenant may assign its interest under this Lease only to a Qualified Assignee. “**Qualified Assignee**” means an entity: (a) who is not the subject of bankruptcy, reorganization, or insolvency proceedings; (b) who does not possess any form of sovereign or diplomatic immunity, and (c) who has assumed in writing all of Tenant’s obligations under this Lease and the Amendment to Lease. Unless Tenant shall first have obtained Landlord’s consent, which may be withheld in Landlord’s sole discretion, Tenant shall not assign this Lease to any person except a Qualified Assignee. No assignment shall constitute an assignment of less than the assignor’s entire interest under this Lease. Any purported assignment in violation of this Section 10, including without limitation any assignment by operation of law or by judgment execution to a person who is not a Qualified Assignee shall be void or, at Landlord’s option, shall constitute an incurable default under this Lease. Notwithstanding the foregoing, Tenant shall be permitted to assign this Lease to an affiliate or other entity under common control (“Affiliate Assignment”). Tenant shall provide Landlord with thirty (30) prior written notice of any Affiliate Assignment.

10.2 **Environmental Site Assessment.** As a condition precedent to any assignment of this Lease to a Qualified Assignee or to any other person approved by Landlord, Tenant shall provide to Landlord an environmental site assessment that was issued within the previous sixty days, that was prepared in accordance with then-current ASTM standards and Applicable Law by a qualified environmental engineer licensed in Arizona, and that establishes to Landlord’s reasonable satisfaction that the Premises have not become contaminated in violation of Environmental Laws during the Term.

10.3 **Subleases.** Tenant may sublet or license portions of the Premises for purposes contemplated by Section 4.1, but shall not otherwise sublet or license any portion of the Premises without Landlord’s consent, which may be withheld in Landlord’s sole discretion. Upon request from time to time, Tenant shall provide to Landlord copies of all subleases and licenses affecting the Premises.

10.4 **Conditions of Release on Assignment.**

(a) No sublease shall release Tenant from primary liability for performance of all of Tenant’s obligations under this Lease.

(b) In the event of a permitted assignment of this Lease that occurs at a time when Buildings have been damaged by fire or other casualty and restoration work is required to be performed before such Buildings may be lawfully occupied (a “**Restoration Period**”), the assignor and the assignee shall remain, jointly and severally, fully liable for performance of this Lease, but upon completion of the restoration and the satisfaction of all claims, liens, expenses, and liabilities related to such restoration, as reasonably established to Landlord, the assignor shall be released from all liability and obligation under this Lease accruing from and after the date of the assignment. In the event of a permitted assignment of this Lease that does not occur during a

Restoration Period, the assignor shall be released from all liability and obligation under this Lease accruing from and after the date of the assignment.

10.5 Transfer by Landlord. Upon a sale or other transfer of Landlord's interest in the Premises, Landlord's interest in this Lease shall automatically be transferred to the transferee, the transferee shall automatically assume all of Landlord's obligations under this Lease, and Landlord shall be released of all obligations under this Lease. Tenant upon request shall attorn in writing to the transferee. Landlord acknowledges Tenant's mission and purpose of a nonprofit corporation. Thus, Landlord agrees to provide Tenant with notice of any sale or transfer of the Premises. Further, Tenant shall be permitted to terminate this Lease if new landlord's mission or purpose conflicts with Tenant's mission and purpose.

11. INTENTIONALLY OMITTED

12. INSURANCE AND INDEMNITY

12.1 Tenant's Insurance. Beginning on the Commencement Date and continuing thereafter throughout the Term, Tenant, at its expense, shall procure and maintain in full force and effect the following:

(a) Property insurance covering all the Buildings and other Improvements, including insurance against vandalism, malicious mischief and sprinkler leakage. Tenant's property insurance must (1) be written on the broadest available "Causes of Loss - Special Form" policy form or an equivalent form for no less than 100% of the full replacement cost of the covered property including all tenant improvements, and (2) be written in amounts of coverage that meet any coinsurance requirements of the policy or policies. Landlord and such other party or parties as Landlord requires must be identified as "insureds as their interests may appear" under Tenant's property insurance.

(b) Commercial general liability broad-form insurance written on an "occurrence" policy form and covering liability for death or bodily injury, personal injury (including, without limitation, advertising injury), and property damage, for any accident, mishap or casualty arising out of or relating, directly or indirectly, to the use or occupancy of the Premises. Such coverage shall include premises operations, products and completed operations. The policy shall be written on a comprehensive basis with limits as follows: \$2,000,000 general aggregate, \$1,000,000 products/completed operations aggregate, \$1,000,000 personal and advertising injury liability, \$1,000,000 per occurrence, \$50,000 fire damage, and \$5,000 medical expenses, or as required by statute. All such liability insurance must include, but not be limited to, broad form property damage, and coverage for independent contractors. Tenant's liability insurance coverage under this Section 12.1(b) shall also include the broadest available form of contractual liability coverage for Tenant's indemnification obligations under this Lease;

(c) Workers' compensation as required by law and employer's liability insurance with limits of liability of not less than \$500,000 each accident, \$500,000 disease policy limit, and \$500,000 disease each employee, or as required by statute.

(d) Automobile liability insurance, including hired and non-owned vehicles, for limits of liability not less than \$1,000,000 combined single limit, as required by statute.

(e) Umbrella liability insurance with limits not less than \$5,000,000 per occurrence and annual aggregate, or as required by statute.

(f) If Tenant engages in construction, Tenant agrees to carry, or to cause its contractor and subcontractors to carry, policies of workers' compensation, comprehensive general liability or builder's risk insurance in forms and amounts reasonably required by Landlord.

12.2 General Provisions for Tenant's Insurance.

(a) The insurance obligations of Tenant set forth in this Section 12 are independent of Tenant's waivers, indemnifications or other obligations under this Lease and may not be construed or interpreted to restrict, limit or modify Tenant's waivers, indemnifications or other obligations or to limit Tenant's liability under this Lease.

(b) All insurance policies of Tenant must be issued by insurance companies acceptable to Landlord authorized to do business in the State of Arizona, and having an A.M. Best rating of not less than (A-VII).

(c) All liability policies shall: (i) name Landlord and such other party or parties as Landlord requires as additional insureds on ISO Form CG 20 26 as per carrier policy issuance ; (ii) as to the Premises, be noncontributing with, and apply only as primary and not as excess to, other insurance available to Landlord or Landlord's mortgagee, if any; and (iii) not be invalidated with respect to the interests of Landlord or of Landlord's mortgagee by reason of any breach or violation of any warranties, representations, declarations or conditions contained in the policies.

(d) All insurance policies of Tenant must contain an undertaking by the insurers to notify Landlord and Landlord's mortgagee (if any), in writing, not less than thirty days (ten days in case of non-payment of premium) prior to any cancellation or termination thereof.

(e) Tenant agrees to deliver to Landlord on or before the Commencement Date and thereafter from time to time, such evidence that Tenant's insurance is in place and fully paid for in advance, as Landlord reasonably requires.

(f) No policy required to be maintained by Tenant under this Section 12 may have a deductible in excess of \$10,000, without Landlord's prior written consent.

(g) Landlord, by written notice to Tenant, may change required policy limits, effective as of the beginning of the next policy year, consistently with the then-current policies of the Glendale Elementary School District and then-prevailing commercial practices.

12.3 No Insurable Interest in Landlord's Insurance. No insurable interest is conferred upon Tenant under policies of insurance, if any, carried by Landlord.

12.4 Mutual Waiver of Subrogation. Tenant releases Landlord, Landlord's mortgagee, if any, and their respective governing board members, administrators, partners, agents, employees, and independent contractors and all persons and entities claiming through any of these persons or entities (collectively "**Landlord Group**"), and Landlord releases Tenant and Tenant's officers, directors, members, partners, agents, employees, lenders, and independent contractors and all

persons and entities claiming through any of these persons or entities (collectively “**Tenant Group**”), from liability for loss or damage to property arising out of or incident to any peril that is insured or that is required to be insured pursuant to this Lease. If such loss or damage to a party’s property occurs, such party agrees to look solely to its insurance for recovery. This release is applicable even if the loss or damage is caused by the fault or negligence of any member of Landlord Group or Tenant Group, as the case may be.

12.5 **Indemnity.** To the fullest extent permitted by law, each party shall defend, indemnify and hold the other party , if any (and their respective members, managing agents, officers, directors, employees, and agents) harmless, regardless of any negligence that may be imputed to such party, from and against any and all loss, claims, actions, damages, liability and expense in connection with loss of life, personal injury, damage to property or any other loss or injury whatsoever arising directly or indirectly from or out of: (a) occurrence in, upon or at the Premises or the Site, but only to the extent such injury, damage, or loss is caused by such party, or (b) the occupancy or use of the Premises or the Site, or (c) any act or omission of a party , its sub-tenants, or their respective members, managing agents, agents, servants, employees or invitees.

13. FIRE AND CASUALTY

13.1 **Risk of Loss.** Tenant shall bear all risk of loss to Buildings or other Improvements on the Premises from fire, casualty, or any other cause whatsoever (a “**Casualty Loss**”). No loss, damage or destruction of Buildings or other Improvements shall entitle Tenant to terminate this Lease or to abate or reduce any amount payable under this Lease. Tenant waives any statutory or other rights of termination by reason of Casualty Loss, it being the intention of the parties to provide specifically and exclusively in this Section for the rights and obligations of the parties with respect to Casualty Loss

13.2 **Restoration or Removal.** As soon as practicable following a Casualty Loss to any Improvements on the Premises, Tenant shall commence either the repair and restoration of such damage or the demolition and removal of the damaged Buildings and Improvements, and in either case shall diligently pursue such work to completion. As soon as practicable following a Casualty Loss to any Buildings or other Improvements on the School Site, Landlord shall commence either the repair and restoration of such damage or the demolition and removal of the damaged Buildings and Improvements, and in either case shall diligently pursue such work to completion.

13.3 **Termination Option.** In the event of a fire or casualty that occurs during the final five years of the Term that would require the Buildings on the Premises to be substantially replaced or reconstructed, Tenant, at Tenant’s option, may terminate this Lease by written notice to Landlord subject to compliance with Sections 13.2 and 19.

14. CONDEMNATION

14.1 **Automatic Termination.** If during the Term all or substantially all of the Premises is permanently taken for any public or quasi-public use under any statute or by right of eminent domain, or purchased under threat of such taking (collectively, a “**Taking**”) or if so much of the Premises is made subject to a Taking that what remains is not reasonably susceptible for use for the Permitted Uses, then this Lease shall terminate effective as of the date that the condemning

authority takes possession of the Premises. This Lease shall not otherwise terminate as a result of any Taking.

14.2 **Award.** The award with respect to the Premises shall be allocated between Landlord and Tenant in accordance with the values of their respective interests that were taken. Tenant shall have no interest in any award for a Taking of any portion of the School Site.

15. **BREACH, DEFAULT, AND REMEDIES**

15.1 **Default.** The following shall constitute “**Events of Default**”:

(a) A party fails to pay any amount due under this Lease within thirty days after notice of nonpayment; or

(b) A party fails to procure and maintain the insurance coverages required by this Lease within ten business days after written notice of such failure; or

(c) A party breaches any other obligation under this Lease and fails to cure the breach within ninety days after notice of nonperformance; provided, however, that if the breach is of such a nature that it cannot be cured within ninety days, no Event of Default shall be deemed to have occurred by reason of the breach if cure is commenced promptly and diligently pursued to completion.

15.2 **Remedies of Landlord.** At any time following the occurrence of an Event of Default by Tenant, Landlord without further notice or demand may exercise any one or more of the following remedies concurrently or in succession:

(a) Terminate this Lease and retake exclusive possession of the Premises, whereupon Tenant shall remove the modular from Landlord’s property; provided, however, that if Landlord has other adequate and effective remedies for a breach, such as self-help or full and actual payment of damages that make Landlord whole, then Landlord first shall resort to such other remedies, and only if they prove not to be adequate or effective shall Landlord exercise any remedy of termination. Termination and removal shall be invoked only as a last resort in situations where Landlord’s interests cannot otherwise be adequately protected;

(b) From time to time recover damages arising from Tenant’s breach of the Lease with interest thereon at a rate equal to the Prime Rate plus 3% per annum. “**Prime Rate**” means the Wall Street Journal Prime Rate as listed in the Eastern print edition of the Wall Street Journal.

(c) Recover all costs, expenses and attorneys’ fees incurred by Landlord in connection with enforcing this Lease, recovering possession, or collecting amounts owed;

(d) Perform the obligation on Tenant’s behalf and recover from Tenant, upon demand, the entire amount expended by Landlord plus 10% for special handling, supervision, and overhead; or

(e) Pursue other remedies available at law or in equity.

15.3 **Remedies of Tenant.** At any time following the occurrence of an Event of Default by Landlord, Tenant without further notice or demand may exercise any one or more of the following remedies concurrently or in succession:

(a) From time to time recover damages arising from Landlord's breach of the Lease, together with applicable late charges with interest thereon at a rate equal to the Prime Rate plus 3% per annum;

(b) Recover all costs, expenses and attorneys' fees incurred by Tenant in connection with enforcing this Lease or collecting amounts owed;

(c) Perform the obligation on Landlord's behalf and recover from Landlord, upon demand, the entire amount expended by Tenant plus 10% for special handling, supervision, and overhead; or

(d) Pursue other remedies available at law or in equity.

16. **NON-SUBORDINATION AND ATTORNMENT**

This Lease shall not be subordinate to any existing or future mortgages or deeds of trust hereafter encumbering Landlord's interest in the Premises. Upon any foreclosure, trustee's sale, or similar proceeding under any mortgage or deed of trust encumbering Landlord's interest in the Premises, the transferee shall acquire the Premises subject to this Lease, the transferee shall succeed to all of Landlord's interest hereunder, and Tenant shall automatically attorn to the transferee.

17. **ESTOPPEL CERTIFICATES**

Either party (a "**Certifying Party**"), at any time within ten days after request of the other party (the "**Requesting Party**") shall execute, acknowledge and deliver a statement in writing: (a) certifying that this Lease is unmodified and in full force and effect (or, if modified, stating the nature of such modification and certifying that this Lease, as so modified, is in full force and effect) and the date to which the rent and other charges are paid in advance, if any; (b) confirming the commencement and expiration dates of the term; (c) acknowledging that there are not, to the knowledge of the Certifying Party, any uncured defaults on the part of the Requesting Party or specifying such defaults if any are claimed; and (d) confirming such other matters as to which the Requesting Party may reasonably request confirmation. Any such statement may be conclusively relied upon by a prospective purchaser or lender.

18. **QUIET ENJOYMENT**

If Tenant pays the rent and observes and performs the terms, covenants and conditions contained in this Lease, Tenant shall peaceably and quietly hold and enjoy the Premises for the Term without hindrance or interruption by Landlord, or any other person lawfully claiming by, through or under Landlord unless otherwise permitted by the terms of this Lease.

19. **SURRENDER AND HOLDOVER**

19.1 **Surrender.** Upon the expiration or termination of this Lease:

(a) Tenant shall surrender the Premises and remove the modular Buildings and other Improvements then existing on the Premises and leave the Premises in a clean undamaged condition, reasonable wear and tear excepted; and

(b) Tenant shall cause the Premises and all other property surrendered to Landlord to be free of all subleases, mortgages, deeds of trust, security interests, mechanics' or materialmen's liens, judgments or other monetary encumbrances.

19.2 **Title to Buildings and Improvements.** Title to the Buildings and other Improvements on the Premises, but not the real property, is vested in Tenant, subject to the Federal Interest therein as set forth in this Lease. Tenant shall have the exclusive right to occupy, use, alter, and replace the Buildings and Improvements on the Premises during the Term, subject to the terms and conditions of this Lease.

21. GENERAL

21.1 **Severability; Priority.** If any term, covenant or condition of this Lease, or the application thereof, is to any extent held or rendered invalid, it shall be and is hereby deemed to be independent of the remainder of this Lease and to be severable and divisible therefrom, and its invalidity, unenforceability or illegality shall not affect, impair or invalidate the remainder of this Lease or any part thereof.

21.2 **No Waiver.** The waiver by Landlord or Tenant of any breach of any term, covenant or condition contained in this Lease shall not be deemed to be a waiver of such term, covenant or condition or of any subsequent breach of the same or of any other term, covenant or condition contained in this Lease. No term, covenant or condition of this Lease shall be deemed to have been waived unless such waiver is in writing.

21.3 **Force Majeure.** If either party is delayed or hindered in or prevented from the performance of any term, covenant or act required hereunder by reasons of strikes, labor troubles, inability to procure materials or services, power failure, restrictive governmental laws or regulations, riots, insurrection, sabotage, rebellion, war, act of God, acts or omissions of the other party, or other reason whether of a like nature or not that is beyond the control of the party affected, financial inability excepted, then the performance of that term, covenant or act is excused for the period of the delay and the party delayed shall be entitled to perform such term, covenant or act within the appropriate time period after the expiration of the period of such delay.

21.4 **Recording.** This lease shall not be recorded; however, a memorandum of this Lease shall be recorded in the records of the Maricopa County Recorder, in the form attached hereto as **Exhibit D.**

21.5 **Successors.** Subject to the terms of this Lease, all rights and liabilities under this Lease extend to and bind the successors and assigns of Landlord and permitted successors and assigns of Tenant.

21.6 **Integration.** This Lease and the Amendment to Lease set forth on **Exhibit C** attached hereto, sets forth all the covenants, promises, agreements, conditions and understandings between Landlord and Tenant concerning the lease of the Premises and there are no other covenants, promises, agreements, conditions or understandings, either oral or written, between them. No alteration, amendment or addition to this Lease shall be binding upon Landlord or Tenant unless in writing and signed by Tenant and Landlord. This Lease and any subsequent alterations, amendments, or additions hereto shall not be effective unless and until executed by all Parties and approved by the Landlord's Governing Board at a properly noticed public meeting.

21.7 **Governing Law.** This Lease shall be construed in accordance with and governed by the laws of the State of Arizona.

21.8 **Deadlines Enforceable.** Time is of the essence of this Lease and of every part hereof.

21.9 **Right of Cancellation for Conflict of Interest.** All parties hereto acknowledge that this Lease is subject to cancellation pursuant to the provisions of § 38-511, Arizona Revised Statutes.

21.10 **Nonliability of Officials and Employees.** No governing board member, official, administrator, or employee of Landlord will be personally liable to Tenant, or any successor in interest, in the event of any default or breach by the Landlord or for any amount which may become due to Tenant, or any successor, or on any obligation under the terms of this Lease.

21.11 **No Agency Created.** Nothing contained in this Lease creates any partnership, joint venture or agency relationship between Landlord and Tenant. No term or provision of this Lease is intended to be for the benefit of any person, firm, organization or corporation not a party hereto, and no other person, firm, organization or corporation may have any right or cause of action hereunder.

21.12 Warranty Against Payment of Consideration. Tenant warrants that it has not paid or given, and will not pay or give, any third person any money or other consideration for obtaining this Lease, other than normal costs of conducting business and costs of professional services such as architects, consultants, engineers and attorneys.

21.13 Survival of Obligations. Any provisions of this Lease to the contrary notwithstanding, the expiration or termination of this Lease and/or Tenant's right of possession shall not relieve Tenant from any liability (i) accruing under this Lease prior to such termination or expiration, or (ii) under any indemnity provisions of this Lease as to matters occurring during the Term or arising in connection with Tenant's occupancy of the Premises.

21.14 Corporate Authority. If Tenant is a corporation, each individual executing this Lease on behalf of said corporation represents and warrants that he or she is duly authorized to execute and deliver this Lease on behalf of said corporation in accordance with a duly adopted resolution of the board of directors of said corporation or in accordance with the bylaws of said corporation, and that this Lease is binding upon said corporation in accordance with its terms.

21.15 Arm's Length Agreement. This Lease has been negotiated at arm's length and between persons sophisticated and knowledgeable in the matters dealt with in this Lease. Accordingly, any rule of law or legal decision that would require interpretation of any ambiguities in this Lease against the party that has drafted it is not applicable and is waived. The provisions of this Lease shall be interpreted in a reasonable manner to effectuate the purpose and intent of the parties to this Lease.

21.16 No Third Party Benefit. The parties acknowledge and agree that the provisions of this Lease are for the sole benefit of Landlord and Tenant, and not for the benefit, directly or indirectly, of any other person or entity, except as otherwise expressly provided herein.

21.17 No Israel Boycott. The parties agree that they are not currently engaged in, and agree that for the duration of this Lease they will not engage in, a boycott of Israel, as that term is defined in A.R.S. Section 35-393. Notwithstanding the foregoing to the contrary, unless and until the District Court's injunction in Jordahl v. Brnovich et al., Case No. 3:17-CV-08263 (D. Ariz.) is stayed or lifted, the Anti-Israel Boycott Provision (A.R.S. 35-393.01 (A)) is unenforceable and the Landlord will take no action to enforce it.

21.18 Counterparts. This Lease may be executed in counterparts, which together shall constitute a single instrument.

21.19 Mediation. Both the Landlord and the Tenant agree to mediate any dispute or claim arising out of or relating to this Agreement in accordance with the mediation procedures of the applicable state or as otherwise agreed. All mediation costs shall be paid equally by the parties. In the event that mediation does not resolve all disputes or claims, the unresolved disputes or claims shall be submitted to the Maricopa County Superior Court of Arizona, or appropriate federal court located in Arizona.

21.20 **Access during Construction.** Landlord agrees to provide the Tenant and the responsible HHS official or his/her designee to access the Premises, at all reasonable times, during construction and inspection.

21.21 **Federal Interest.** The value of the Federal Interest (pursuant to Exhibit C) in the Improvements shall equal the amount of the federal government's contribution to the improvements situated on the Premises.

21.22 **Cure for any Default under the lease.** Notwithstanding anything contained in this agreement, responsible HHS official has the right to cure any default under this agreement within the designated period to cure default

AMENDMENT TO LEASE

This Agreement, made this _ day of ____, 2020 by and among Catholic Charities Community Services, Inc. WHEREAS, Glendale Elementary School District is the owner of a parcel of land located at Lots 5 through 8, inclusive, and that part of the South half of Lot 10, RANCHO DEL HIGO AMENDED and identified in the Maricopa County land records.

WHEREAS, CCCS is a grantee in the Federal Head Start Program ("Head Start") (see 42 U.S.C. 9831 et seq.; 45 CFR Parts 1301 et seq.) and;

WHEREAS, the Administration for Children and Families ("ACF"), a component of the United States Department of Health and Human Services ("HHS"), has approved an award of Head Start grant funds to CCCS which will be used to purchase a modular unit to be placed on the leased premises, and;

NOW, in consideration of the covenants contained herein, it is agreed that the Parties shall amend the Lease under the following terms and conditions:

1. Definitions: Under this Agreement, the following terms are defined as follows:
 - (a) Event of Default: The term "Event of Default" means an event of default under the Lease.
 - (b) Grantee: The term "Grantee" means Catholic Charities Community Services, Inc. (CCCS) Head Start (HS) and/or an interim grantee and/or a replacement grantee and their heirs, assignees, and successors under this Agreement and the Lease.
 - (c) Landlord: The term "Landlord" means Glendale Elementary School District and/or their heirs, assignees, and successors under this Agreement and the Lease.
 - (d) Interim Grantee: The term "Interim Grantee" has the same meaning as it is defined in 45 CFR 1303.2.

- (e) Replacement Grantee: The term "Replacement Grantee" refers to an entity designated by ACF to serve as the Head Start grantee subsequent to the end of the role of CCCS in that function.
- (f) Parties: The term "Parties" shall refer to CCCS and Glendale Elementary School District, and their respective heirs, successors, and assignees under this Agreement and the Lease.

2. Grantee's Obligations

- (a) The Grantee agrees not to sublease, assign, or otherwise transfer the leased property, or use the property for any non-grant purpose, without the express written approval of the responsible HHS official.
- (b) The Grantee covenants and agrees to provide ACF with notice:
 - (1) Of any default by the Grantee under the Lease, on the date of the discovery of such default; and
 - (2) That the Landlord has notified the Grantee of its intent to exercise the remedy of cancellation, termination, and/or other remedies, on the day that the Grantee receives such notice from the Landlord.

3. Landlord's Promise to Notify ACF

The Landlord covenants and agrees to provide ACF with notice:

- (a) Of any default by the Grantee under the Lease, as soon as practicable after the day that the Landlord first knows of such default; and
- (b) That the Landlord intends to exercise its remedy of cancellation, termination, and/or any other remedy, on the day that Landlord notifies the Grantee that it intends to exercise such remedy or remedies, or if the Landlord does not notify the Grantee, on the day that the Landlord decides to exercise any such remedy or remedies.
- (c) That the Landlord intends to mortgage the Leased Premises, or that a lien or other encumbrance affecting title has been attached to the Leased Premises.

4. Addresses for Notification to ACF

Whenever notice to ACF is required under this Agreement, the Landlord and the Grantee promise to provide both telephonic and written notification (by registered mail, return receipt requested) to the following ACF offices, or to their successors:

- (a) The Office of the Regional Administrator
Administration for Children and Families
50 United Nations Plaza, Rm 473

In addition, if one or more of the officers listed above has a change of name, address, and/or telephone number, the Grantee and the Landlord further covenant and agree to take all reasonable action necessary to discover and notify the appropriate government offices.

5. Contents of Notification to ACF

The Landlord and the Grantee covenant and agree to include the following information in the written notice to ACF whenever such notice is required under this Agreement:

- (a) The full names, addresses, and telephone numbers of the Landlord and the Grantee;

6. Grantee's Promise to Notify Landlord of Changes in ACF's Address

The Grantee covenants and agrees to give the Landlord written and telephonic notice of any change of name, address, and/or telephone number of an ACF office listed in Paragraph 4. If one or more of the ACF offices listed in Paragraph 4 stops operating, the Grantee covenants and agrees to give the Landlord written and telephonic notice of the name, address, and telephone number of the succeeding Federal office(s) to which notice must be given.

7. ACF's Rights in Event of the Grantee's Default

- (a) In the event a default occurs under the Lease, the parties agree that ACF may intervene when it deems a default to have occurred under the Lease, and which default requires ACF's intervention to avoid termination of the Lease by the Landlord, to ensure that the default is cured by the Grantee or another party designated by the responsible ACF official, and that the Landlord, or its assignee, shall accept the payment of money or performance of any obligation by ACF's designee for the Grantee, as if such payment of money or performance had been made by the Grantee.
- (b) Unless as otherwise specified in Paragraph 9 below, ACF shall have sixty (60) days from the date of receipt of notice of the default that has been served in full compliance with Paragraphs 3 through 5 above, in which to intervene to attempt to cure the default.
- (c) In the event that the Grantee defaults, is terminated, withdraws from the Head Start grant, or vacates the Lease before the end of the Lease term, ACF shall have the right to designate a replacement for the Grantee for the balance of the Lease term, subject to approval by the Landlord, which will not be withheld except for good reason as provided for in 45 CFR 1309.21.

8. Substitution by ACF Shall Not Constitute an Event of Default

Notwithstanding any other provisions of the Lease, the Parties agree that any substitution of grantees by ACF shall not constitute an event of default under the Lease. No substitution of an Interim or Replacement Grantee may be made until ACF has provided to Landlord the identity of the Interim or Replacement grantee, proof of its status to satisfy the standards of this Agreement, and such other information as required to permit Landlord to verify that the Interim or Replacement Grantee, and the programs to be conducted by it at the Leased Premises, conform to the standards required by this Agreement. Landlord shall not withhold consent to the Interim or Replacement Grantee if such entity and the programs to be conducted by it conform to the standards of this Agreement. The Parties further expressly covenant and agree that any such substitution by ACF made in accordance with this Agreement shall not trigger termination of the Lease or any other remedy under it.

9. Special Period for Curing Certain Non-Monetary Defaults

With respect to non-monetary defaults that cannot with due diligence be cured within sixty (60) days from the date of receipt of notice of default that has been served in full compliance with

Paragraphs 3 through 5 above, if ACF promptly acts to cure the default within the sixty (60) day period and thereafter continues to attempt to cure the default with due diligence, then ACF shall have the right to such additional time as may be reasonably necessary to finish curing the default.

10. Delay of Exercise of Remedies Pending Cure

In the event of a default under the Lease, Landlord agrees that it shall not commence cancellation or termination of the Lease or any other remedies that affect ownership or possession of the Leased Premises until after ACF has been properly served, in full compliance with Paragraphs 3 through 5 above, with notice of default and intent to exercise remedies, and one of the following events has occurred:

- (a) The responsible ACF official informs the Landlord in writing that ACF has decided not to cure the default; or
- (b) ACF fails to timely cure the default within the period of time set forth in this Agreement.

11. Federal Interest in the Property Leased

This Lease Amendment also serves to notify all potential sellers, purchasers, transferors, transferees, mortgagees, creditors, and any other persons or entities who have or may seek to obtain an interest of any kind in the modular building described in this Lease Amendment ("the property") of the Federal government's beneficial ownership interest and other interests ("Federal Interest") in said property, as defined in and/or regulated by the Head Start Act, 42 U.S.C. 9831 et seq., 45 CFR Parts 74, 92, and 1309, and relevant decisions of the United States courts. The United States Department of Health and Human Services, Administration for Children and Families ("HHS") has awarded grant funds to Catholic Charities Community Services, Inc. ("grantee"), an Arizona nonprofit corporation, including, but not limited to grant number 09CH010372 and expects to award further amounts in the future. The Federal Interest arises because CCCS has used the grant funds to acquire, and/or construct, and/or improve said property and will have used such additional amounts awarded in the future for that purpose. The Head Start grant incorporated conditions that include restrictions on the use of the property and provide for a Federal Interest in the property. The Lease does not create a Federal Interest in Landlord's real property.

In accordance with the terms of the Federal grant, the Head Start Act, 42 U.S.C. 9831 et seq., 45 CFR Parts 74, 92, and 1309, and relevant decisions of the United States courts, the restrictions on the property include, among others, the following:

- The modular building may not be used for any purpose inconsistent with that authorized by the Head Start Act and applicable regulations.
- The grant conditions and requirements cannot be altered or nullified through a transfer of ownership of the modular building.

- Further information regarding the Federal Interest in the property described in this Notice can be obtained from the Administration for Children and Families, 50 United Nations Plaza, Rm 473, San Francisco CA 94102.

12. Binding on Heirs and Assigns

This Agreement shall be binding upon and inure to the benefit of the respective successors and assigns of each of the parties hereto, but does not otherwise create, and shall not be constructed as creating, any rights enforceable by any person not to a party to this Agreement.

13. Assumption Agreement

Any Interim or Replacement Grantee must, as a precondition to its occupancy of the Leased Premises, execute an Assumption Agreement in the form annexed to this Agreement.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement pursuant to the authority duly given them.

GLENDALE ELEMENTARY SCHOOL DISTRICT

ACTION AGENDA ITEM

AGENDA NO: 9.B. TOPIC: Maryland Unit 13 and Alice Unit 18 Farm Lease Agreements

SUBMITTED BY: Mr. Gregory Gilliam, Director of Maintenance and Operations

RECOMMENDED BY: Mr. Mike Barragan, Assistant Superintendent of Finance and Auxiliary Services

DATE ASSIGNED FOR CONSIDERATION: April 23, 2020

RECOMMENDATION:

It is recommended the Governing Board approve the Maryland Unit 13 and Alice Unit 18 Farm Lease Agreements as presented.

RATIONALE:

These are two farm leases with Arizona Hay Company, LLC, for two parcels of vacant land owned by the District. The term is from the date of approval until February 28, 2025, with one five-year renewal option. The Governing Board must approve the renewal. If the District determines that it wants to develop any part of either parcel, it must notify the farmer no later than January 1 of the year in which it wishes to terminate. Rent is \$1.00 per year. However, the farmer is responsible to maintain weed and dust control on the parcels, and to maintain the irrigation equipment and to file all water usage reports with the Arizona Department of Water Resources. The parcels are not currently being used by the District, and having the farmer take over the maintenance obligations will save the District a considerable amount of money each year.

9. Assignment and Subletting. Lessee may not assign this Lease or sublet any portion of the Leased Premises without the prior written consent of Lessor, which may be given or withheld in Lessor's sole discretion. Any assignment or subletting shall not relieve Lessee of its obligations hereunder unless Lessor expressly releases Lessee in writing. Lessor may freely assign Lessor's rights and obligations under this Lease without Lessee's consent.

10. Default. The occurrence of any of the following shall constitute a material default and breach of this Lease by Lessee:

(A) Any failure by Lessee to pay, on or before the due date, any rent or other monetary sums required to be paid hereunder.

(B) The abandonment or vacation of the Leased Premises by Lessee.

(C) A failure by Lessee to observe and perform any other provision of this Lease to be observed or performed by Lessee, where such failure continues for 10 days after written notice thereof by Lessor to Lessee; provided, however, that if the nature of such default is such that the same cannot reasonably be cured within such 10 day period, Lessee shall not be deemed to be in default if Lessee shall within such period commence such cure and thereafter diligently prosecute the same to completion within 60 days.

(A) Maintain this Lease in full force and effect and recover the rent and other monetary charges as they become due, without terminating Lessee's right to possession, irrespective of whether Lessee shall have abandoned the Leased Premises. In the event Lessor elects to not terminate the Lease, Lessor shall have the right to attempt to re-let the Leased Premises at such rent and upon such conditions and for such a term, and to do all acts necessary to maintain or preserve the Leased Premises as Lessor deems reasonable and necessary without being deemed to have elected to terminate the Lease, including removal of all persons and property from the Leased Premises; such property may be removed and stored in a public warehouse or elsewhere at the cost of and for the account of Lessee. In the event any such re-letting occurs, this Lease shall terminate automatically upon the new Lessee taking possession of the Leased Premises. Notwithstanding that Lessor fails to terminate the Lease initially, Lessor at any time during the term of this Lease may elect to terminate this Lease by virtue of such previous default of Lessee.

(B) Terminate Lessee's right to possession by any lawful means, in which case this Lease shall terminate, and Lessee shall immediately surrender possession of the Leased Premises to Lessor. In such event Lessor shall be entitled to recover from Lessee all damages

incurred by Lessor by reason of Lessee's default, and seek all other remedies available at law or in equity.

12. Lessor's Right of Entry. Lessor shall have the right to enter upon the Leased Premises at all reasonable times for the purpose of inspection and of showing the Leased Premises to a prospective tenant or purchaser.

Unless expressly provided for in this Lease, no waiver will be binding unless executed in writing by the party making the waiver. Any party may waive any provision of this Lease intended for its sole benefit; however, unless otherwise provided for herein, such waiver will in no way excuse the other party from the performance of any of its other obligations under this Lease.

It is agreed that either party may hereinafter designate other addresses to which notice may be sent, upon written notice sent to the other at the address above designated, or subsequently designated in accordance herewith.

9. Assignment and Subletting. Lessee may not assign this Lease or sublet any portion of the Leased Premises without the prior written consent of Lessor, which may be given or withheld in Lessor's sole discretion. Any assignment or subletting shall not relieve Lessee of its obligations hereunder unless Lessor expressly releases Lessee in writing. Lessor may freely assign Lessor's rights and obligations under this Lease without Lessee's consent.

10. Default. The occurrence of any of the following shall constitute a material default and breach of this Lease by Lessee:

(A) Any failure by Lessee to pay, on or before the due date, any rent or other monetary sums required to be paid hereunder.

(B) The abandonment or vacation of the Leased Premises by Lessee.

(C) A failure by Lessee to observe and perform any other provision of this Lease to be observed or performed by Lessee, where such failure continues for 10 days after written notice thereof by Lessor to Lessee; provided, however, that if the nature of such default is such that the same cannot reasonably be cured within such 10 day period, Lessee shall not be deemed to be in default if Lessee shall within such period commence such cure and thereafter diligently prosecute the same to completion within 60 days.

(D) The making by Lessee of any general assignment or general arrangement for the benefit of creditors; the filing by or against Lessee of a petition to have Lessee adjudged a bankrupt or of a petition for reorganization or arrangement under any law relating to bankruptcy (unless, in the case of a petition filed against Lessee, the same is dismissed within 30 days); the appointment of a trustee or receiver to take possession of substantially all of Lessee's assets located at the Leased Premises or of Lessee's interest in this Lease, where possession is not restored to Lessee within 30 days; or the attachment, execution or other judicial seizure of substantially all of Lessee's assets located at the Leased Premises or of Lessee's interest in this Lease, where such seizure is not discharged within 30 days.

11. Remedies. In the event of any such material default or breach by Lessee, Lessor may at any time thereafter, with or without notice and demand and without limiting Lessor in the exercise of any right or remedy at law or in equity which Lessor may have by reason of such default or breach:

(A) Maintain this Lease in full force and effect and recover the rent and other monetary charges as they become due, without terminating Lessee's right to possession, irrespective of whether Lessee shall have abandoned the Leased Premises. In the event Lessor elects to not terminate the Lease, Lessor shall have the right to attempt to re-let the Leased Premises at such rent and upon such conditions and for such a term, and to do all acts necessary to maintain or preserve the Leased Premises as Lessor deems reasonable and necessary without being deemed to have elected to terminate the Lease, including removal of all persons and property from the Leased Premises; such property may be removed and stored in a public warehouse or elsewhere at the cost of and for the account of Lessee. In the event any such re-letting occurs, this Lease shall terminate automatically upon the new Lessee taking possession of the Leased Premises. Notwithstanding that Lessor fails to terminate the Lease initially, Lessor at any time during the term of this Lease may elect to terminate this Lease by virtue of such previous default of Lessee.

(B) Terminate Lessee's right to possession by any lawful means, in which case this Lease shall terminate, and Lessee shall immediately surrender possession of the Leased Premises to Lessor. In such event Lessor shall be entitled to recover from Lessee all damages

incurred by Lessor by reason of Lessee's default, and seek all other remedies available at law or in equity.

12. Lessor's Right of Entry. Lessor shall have the right to enter upon the Leased Premises at all reasonable times for the purpose of inspection and of showing the Leased Premises to a prospective tenant or purchaser.

13. General Provisions.

A. Waivers. No waiver of any of the provisions of this Lease will constitute a waiver of any other provision, whether or not similar, nor will any waiver be a continuing waiver. Unless expressly provided for in this Lease, no waiver will be binding unless executed in writing by the party making the waiver. Any party may waive any provision of this Lease intended for its sole benefit; however, unless otherwise provided for herein, such waiver will in no way excuse the other party from the performance of any of its other obligations under this Lease.

B. Construction, Governing Law and Venue. This Lease will be interpreted according to Arizona law, and will be construed as a whole and in accordance with its fair meaning and without regard to, or taking into account, any presumption or other rule of law requiring construction against the party preparing this Lease or any part hereof. Any dispute or controversy relating to this Lease, including the breach and enforcement thereof, will take place in the Superior Court of Maricopa County, Arizona.

C. Time. Time is strictly of the essence of each and every provision of this Lease.

D. Attorneys' Fees. If any action is brought by any party in respect to its rights under this Lease, the prevailing party will be entitled to reasonable attorneys' fees and court costs as determined by the court, including attorneys' fees incurred prior to any court or enforcement action that relate to the enforcement hereof.

E. Binding Effect. This Lease and all instruments or documents entered into pursuant hereto are binding upon and will inure to the benefit of the Parties and their respective successors and assigns.

F. Further Assurances and Documentation. Each party agrees in good faith to take such further actions and execute such further documents as may be necessary or appropriate to fully carry out the intent and purpose of this Lease.

G. Time Periods. If the time for the performance of any obligation under this Lease expires on a Saturday, Sunday or legal holiday, the time for performance will be extended to the next succeeding day which is not a Saturday, Sunday or legal holiday.

H. Headings. The headings of this Lease are for purposes of reference only and will not limit or define the meaning of any provision of this Lease.

I. Entire Agreement. This Lease, together with all exhibits referred to herein, which are incorporated herein and made a part hereof by this reference, constitute the entire agreement between the parties pertaining to the subject matter contained in this Lease. No supplement, modification or amendment of this Lease will be binding unless in writing and executed by the parties.

J. Counterparts. This Lease may be executed by the exchange of faxed or electronic signatures and in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same instrument.

K. No Partnership Intended. This agreement is a lease. Nothing in this agreement is intended to, or shall be construed to, create a partnership, joint venture, or other agency between the parties.

**Glendale Elementary School District No. 40 of Maricopa County,
a political subdivision of the State of Arizona,**

hereinafter called Grantor, for and in consideration of the sum of Ten Dollars, and other valuable consideration, receipt and sufficiency of which is hereby acknowledged, does hereby grant and convey to **SALT RIVER PROJECT AGRICULTURAL IMPROVEMENT AND POWER DISTRICT**, an agricultural improvement district organized and existing under the laws of the State of Arizona, and its successors and assigns, hereinafter called Grantee, for use by Grantee and Grantee's employees, contractors, licensees, and invitees, a non-exclusive easement to construct, install, reconstruct, replace, remove, repair, operate and maintain underground electrical conduits and conductors, pipes, cables, switching equipment, transformers, pad-mounted equipment, enclosures, manholes, vaults, and all other appliances, appurtenances and fixtures (collectively, "Facilities") for the transmission and distribution of electricity, communication signals and data, and for all other purposes connected therewith at such locations and elevations, in, upon, over, under, across, through and along the Easement Parcel (defined below), as Grantee may now or hereafter deem convenient or necessary from time to time, together with the right of access to and from the Easement Parcel, over, across, through and along Grantor's Property (defined below) (collectively, the "Easement"). Grantee is hereby authorized to permit others to use the Easement for additional Facilities jointly with or separately from the Grantee for their purposes.

The lands in, upon, over, under, across, through and along which the Easement is granted are situated in the County of Maricopa, State of Arizona, and are more particularly described as:

Grantor's Property:

A portion of the Southeast quarter of Section 02, Township 02 North, Range 01 East of the Gila and Salt River Base and Meridian, Maricopa County, Arizona, being more particularly described in WARRANTY DEED Instrument 2002-0322573 records of Maricopa County, Arizona.

Easement Parcel:

Said easement being a strip of land 8.00 feet in width, lying 4.00 feet on each side of the line described as "CENTERLINE OF 8' EASEMENT" delineated on Exhibit "A" (S ORANGEWOOD AND 77TH LANE, SRP Job No. T3095252), prepared by Salt River Project A.I. & Power District, dated 9-17-2018, said Exhibit "A" attached hereto and made a part hereof. Said easement ALSO to include the equipment pad area as described and/or depicted on said Exhibit "A".

CAUTION: Facilities placed within the Easement Parcel may contain high voltage electrical equipment. Notice is hereby given that the location of underground electrical conductors or facilities must be verified as required by Arizona Revised Statutes, Section 40-360.21, et seq., Arizona Blue Stake Law, prior to any excavation.

The Easement is governed by the following terms and conditions:

1. Modification of Easement Parcel. Grantor acknowledges that field conditions may result in the Facilities being installed within Grantor's Property in a location that is not within the Easement Parcel. After the completion of any construction or installation outside of the Easement Parcel, Grantee shall obtain Grantor's agreement with and execution of an amendment to this Easement modifying the legal description of the Easement Parcel to reflect the actual location of the Facilities (the "Amendment"). Upon the recordation of the Amendment, such revised legal description shall have the same force and effect, and create the same priority of interest, as if recorded concurrently with this instrument. Grantor may consent to the execution and recordation of the Amendment through the exercise of its sole discretion.
2. Prohibited Activities. Grantor shall not, whether directly or indirectly by granting permission, construct, install, or place any building or other structure, plant any trees, drill any wells, store materials of any kind, or alter the ground level, within the Easement Parcel. This paragraph 2 does not prohibit the use of the Easement Parcel for such purposes as landscaping (except trees), paved parking, sidewalks and/or driveways, provided that such use is otherwise in accordance with the terms of this Easement, and does not interfere with the efficient operation and maintenance of the Facilities, including access thereto. To obtain clarification as to whether or not a particular construction activity is prohibited by the first sentence of this paragraph 2, Grantor may request Grantee's prior written approval to grade or install improvements ("Work") within the Easement Parcel by submitting all construction, grading, or other development plans, as applicable, describing the proposed Work. Grantee may grant or deny such approval through the exercise of Grantee's sole discretion, provided that Grantee's review and right to approve shall be limited to whether the proposed Work conflicts with the existing Facilities, including access thereto. Any such approval is hereby subject to Grantor complying with all other provisions of this Easement.
3. Clear Areas. Grantor shall maintain a clear area that extends 3.00 feet from and around all edges of all transformer pads and other equipment pads, and a clear area that extends 12.00 feet immediately in front of all transformer and other equipment openings ("Clear Areas"). No improvements, fixtures, trees, shrubs, or other obstructions shall be placed within the Clear Areas. Grantee shall have the right (but not the obligation) to remove any obstructions within the Clear Areas.

4. Additional Grantee Rights. Grantee shall have the right (but not the obligation) to trim, cut and clear away trees, brush or other vegetation on, or which encroaches into, the Easement Parcel or the Clear Areas, whenever in its judgment the same shall be necessary for the convenient and safe exercise of the rights herein granted. Grantor agrees that any fences or walls which now cross or hereafter cross Grantor's Property will not prevent Grantee's access to the Easement Parcel or the Facilities. Grantor further agrees that Grantee can use gates on all such fences or walls for such access.

5. Perpetual Nature of Easement. The Easement, and Grantee's rights hereunder, shall be perpetual, and shall not terminate until, and unless abandoned through the recordation of a document formally abandoning the Easement, which references this instrument and is executed and acknowledged by Grantee. Upon such recordation, all Grantee's rights hereunder shall cease, except the right to remove any and all property placed upon the Easement Parcel within a reasonable time subsequent to such abandonment.

6. Successors and Assigns. The benefits and burdens, and the covenants and agreements herein set forth shall run with and burden the land and shall extend and inure in favor and to the benefit of, and shall be binding on Grantor and Grantee and their successors and assigns.

7. Rights and Remedies Cumulative. The rights and remedies hereunder are cumulative, and the exercise of any one or more of such rights or remedies shall not preclude the exercise, at the same or different times, of any other right or remedy available.

8. Private Use. The provisions of this Easement Agreement are not intended to and do not constitute a grant, dedication, or conveyance for public use of the Easement Parcel. The rights herein created are private and for the benefit only of Grantor and Grantee and their successors and assigns.

9. Warranty of Title. Grantor represents and warrants that: (i) fee simple title to the Grantor's Property and Easement Parcel is vested in Grantor, and (ii) Grantor has full power and authority to grant the Easement and to perform its obligations under this document.

10. Authority to Bind Grantor. The individual executing this document represents and warrants: (i) that he or she is authorized to do so on behalf of Grantor, and (ii) that he or she has full legal power and authority to bind Grantor in accordance with the terms herein and, if necessary, has obtained all required consents or delegations of such power and authority (whether from any partner, owner, spouse, shareholder, director, member, manager, creditor, investor, developer, governmental authority, judicial or administrative body, association, or other person or entity).

Grantee will not be liable to District or any third party on account of any pre-existing defect or condition on or with respect to the Property, whether or not such defect or condition is disclosed by Grantee's inspection. Grantee will restore the Property to its condition as it existed at the commencement of the Initial Option Term, reasonable wear and tear and casualty not caused by Grantee excepted. In addition, Grantee shall indemnify, defend and hold District harmless from and against any and all injury, loss, damage or claims arising directly out of Grantee's Due Diligence. Notwithstanding any other provision herein to the contrary, Grantee's indemnification shall survive termination of this Agreement.

1.3 Option Fees. In consideration of District granting Grantee the Easement Option, Grantee agrees to pay District the sum of \$1,000.00 within 30 business days of the Effective Date. The Easement Option will be for an initial term of one year commencing on the Effective Date (the "Initial Option Term") and may be renewed by Grantee for an additional one year (the "Renewal Option Term") upon written notification to District and the payment of an additional \$1,000.00 no later than 10 days prior to the expiration date of the Initial Option Term.

1.4 Transfer during Option Period. The Easement Option may be sold, assigned or transferred at any time by Grantee to Grantee's parent company or member if Grantee is a limited liability company or any affiliate or subsidiary of, or partner in, Grantee or its parent company or member, or to any third party agreeing to be subject to the terms hereof. Otherwise, the Easement Option may not be sold, assigned or transferred without the written consent of District, such consent not to be unreasonably withheld, conditioned or delayed. From and after the date the Easement Option has been sold, assigned or transferred by Grantee to a third party agreeing to be subject to the terms hereof, Grantee shall immediately be released from any and all liability under this Agreement, including the payment of any Easement Fees (as defined below) or other sums due, without any further action.

1.5 Exercise of Option. During the Initial Option Term and any extension thereof, Grantee may exercise the Easement Option by notifying District in writing. If Grantee exercises the Easement Option, then District grants the Easement to the Grantee subject to the terms and conditions of this Agreement. If Grantee does not exercise the Easement Option during the Initial Option Term or any extension thereof, this Agreement will terminate and the parties will have no further liability to each other except as specifically provided herein.

1.6 Option Period Restrictions. If during the Initial Option Term or any extension thereof, or during the term of this Agreement if the Easement Option is exercised, District decides to subdivide, sell or change the status of the zoning of the Property, as defined below, District shall immediately notify Grantee in writing. Any sale of the Property shall be subject to Grantee's rights under this Agreement. District agrees that during the Initial Option Term or any extension thereof, or during the term of this Agreement if the Easement Option is exercised, District shall not initiate or consent to any change in the zoning of the Property or impose or consent to any other restriction

that would prevent or limit Grantee from using the Easement for the uses intended by Grantee as hereinafter set forth in this Agreement.

2. Grant of Easement.

2.1 Location. Upon the proper exercise of the Easement Option, District hereby grants to Grantee, and Grantee hereby accepts, an easement (the “Easement”) over, under and across the Property, as such Easement areas are legally described on **Exhibit B** and depicted on **Exhibit B-1** attached hereto for the premises (“Premises”) to be used by Grantee for the purposes set forth in Section 3 hereof and for the construction and operation of a Communications Facility, as defined in Section 9 below.

2.2 Utility Easements. Grantee shall have the right to install utilities for the use of its Communications Facility and District agrees, to the extent permitted by law, to execute any additional easement documents as may be reasonably required by any and all utility companies in connection with Grantee’s use of the Easement. A depiction of the easement areas for such utilities (“Utility Easements”) will be attached by the Parties hereto as **Exhibit C** following execution of this Agreement.

2.3 Non-exclusive Rights. District covenants that Grantee, upon paying the consideration and performing the covenants by it herein made, shall and may peacefully and quietly have, hold and enjoy the Easement; provided, however, that Grantee’s rights hereunder are non-exclusive, and District may enter into leases or grant easements on the School Site, excluding the Premises, for communications facility use or otherwise, so long as such other usage does not materially interfere with Grantee’s signal or other permitted uses of the Easement as described herein, with no reduction or return of the consideration or obligations of Grantee hereunder. District agrees to use its reasonable best efforts to give Grantee sixty (60) days prior notice of a proposed new use of the School Site by any third party, and to provide relevant information about the proposed new use so that Grantee can determine, in Grantee’s reasonable discretion, if any material harmful interference to Grantee’s use of the Easement will result from the proposed new use.

2.4 Grantee’s Access. Grantee shall have unrestricted access to the Premises and Communications Facilities and one parking space adjacent to the Premises 7 days a week, 24 hours per day; provided, however, that Grantee shall not have such unrestricted access to any structures of the School Site during times that children are on the School Site. Except in the case of an emergency, if access will be during times that children are on the School Site, Grantee shall give at least 12 hours’ notice of Grantee’s desire to access the structure. If advance notice cannot be given due to an emergency, Grantee shall give District notice of such entry within 24 hours after such entry. As used herein, “emergency” shall mean any event that requires that Grantee gain access to the Easement to: (i) ensure the ability of Grantee and its vendors, representatives and/or customers to immediately troubleshoot and/or remedy interrupted, lost, or poor quality service; or (ii) address any incident of fire, flood, weather, failure of power, public emergency, acts of God or other casualty affecting the Premises. Notice shall be provided under this paragraph to Greg Gilliam or his successor at the District, or Support Services Center, by calling the following number: (623) 237-6201. In all cases of entry, Grantee shall act to minimize disruption of any activities on the School Site during school hours. District shall maintain all access roadways from

the nearest public roadway to the Premises in a manner sufficient to permit pedestrian and vehicular access at all times under normal weather conditions and Grantee shall have the right to use such roadways to access the Premises. District shall be responsible for maintaining and repairing such roadways, at its sole expense, except for any damage caused by Grantee's use of such roadways.

2.5 District's Access. All locks and keys for any enclosure, building, equipment or other improvements installed by Grantee on the Premises shall be furnished and installed by Grantee. Grantee shall give District a set of keys to all locks, except for the equipment cabinets, prior to the installation of the locks or any changes of the locks. District shall keep all keys to the locks at the Administrative Office. District shall not have the keys or access to any equipment cabinets within the Premises, except for two key District employees, to be identified by the District, to be used only in the event of an emergency. Other than this limitation, District shall have the right to enter upon or in the Premises at any time and for any purpose provided. District will take all reasonable action to prevent access to the Premises and improvements by unauthorized persons. Except for an emergency, District shall give Grantee 24 hours advanced notice of its intention to enter upon the Premises so that a representative of Grantee can accompany the representative of District. If advanced notice cannot be given because of an emergency, District shall give notice to Grantee of an entry within 24 hours after such entry. District shall be liable to Grantee for any damage caused by District during an entry by District.

2.5 Recording of Memorandum. This Agreement shall not be recorded, but the parties agree to execute and record a Memorandum of Agreement substantially in the form attached hereto as **Exhibit E**, attached hereto and incorporated by reference.

3. Uses of Easement.

3.1 Permitted Uses. Grantee may enter the School Site after the Effective Date of this Agreement to conduct said Due Diligence. Grantee shall use the Premises solely for the purpose of constructing, maintaining, installing, repairing, securing, replacing, upgrading, removing and operating the Communications Facility and uses incidental thereto. Grantee's use of the Premises shall not create any noise pollution or radio frequency interference. Specifically, Grantee shall install equipment of the type and frequency which will not cause measurable interference for District, other School users, or neighboring landowners.

3.2 Hazardous Substances. Grantee shall not, in violation of any applicable law, keep, store, sell or dispose of, on or about the Premises or the School Site, materials which are in any way explosive or hazardous. Grantee shall not erect any engine, motor or other machinery on the Premises, or use any gas, electricity, inflammable liquid or charcoal therein, without the prior written approval of District, which shall not be unreasonably delayed or withheld, but shall take into account that the Premises are located at a school. District hereby consents to such use by Grantee of electrical transformers, back up batteries and equipment as are customary and usual for a communications facility, unless they have been conclusively shown by the American Medical Association to be detrimental to human health.

4. **Term.** Subject to Section 6.1, the term of this Agreement (the “Initial Term”) shall be for five (5) years from the date Grantee exercises the Easement Option (the “Commencement Date”), subject to earlier termination as provided in Section 13. A renewal or extension of this Agreement, if any, shall occur only as provided in Section 5 hereof.

5. **Renewal Option and Term.** District hereby grants to Grantee an option (the “Renewal Option”) to renew and extend this Agreement and the Easement for five (5) additional consecutive five (5) year terms (each, a “Renewal Term”), provided that Grantee is not in material default under this Agreement beyond the expiration of all applicable notice and cure periods. Each Renewal Option shall be automatically exercised unless Grantee gives District written notice of its intention not to extend at least sixty (60) days prior to the expiration of the Initial Term or any Renewal Term.

6. **Consideration.**

6.1 **Payment.** In consideration of the rights granted to Grantee hereunder upon proper exercise of the Easement Option, Grantee shall pay to District during the Initial Term and subsequent Renewal Terms, if any, an easement fee consisting of a lump sum payment and monthly payments (the “Easement Fee”), as outlined in **Exhibit D** (the “Payment Schedule”), which shall be non-refundable. Grantee shall remit the first installment of the lump sum payment to District within 15 days following the Commencement Date with monthly payments due on the first day of each month thereafter. The lump sum payment for any Renewal Term shall be due and payable upon the first day of the Renewal Term with the monthly payment due on the first day of each month thereafter. The monthly payment of an Easement Fee for any fractional month at the beginning or end of the Initial Term or any Renewal Term shall be prorated. Easement Fees shall be payable to District at 7301 N. 58th Ave., Glendale, Arizona, 85301, Attn: Administrative Services.

6.2 **District’s Attorneys’ Fees.** In consideration of the legal costs incurred by District in entering into this Agreement, Grantee shall reimburse District for its reasonable legal fees and expenses incurred in connection therewith, a one-time fee not to exceed One Thousand Five Hundred and 00/100 Dollars (\$1,500.00) in the aggregate, payable within thirty (30) days after demand therefor by District. District will provide Grantee with copies of the detailed billings District receives from its counsel.

6.3 **Net Payments.** District shall receive all payments provided for hereunder free and clear of any and all deductions, setoffs, impositions, taxes, liens, charges or expenses of any nature whatsoever.

6.4 **Delinquent Interest.** All late payments due to District from Grantee shall bear interest at the rate of one and one-half percent (1.5%) per month from the date due until payment is received by District.

7. **Utilities and Taxes.** All utilities utilized by Grantee in connection with the Easement shall be separately metered solely in Grantee’s name. Grantee shall be directly responsible for, and shall pay when due, all charges for utilities utilized by Grantee. Grantee shall pay when due any

taxes imposed upon District attributable to real property improvements or personal property installed by Grantee on District's property or to the use of such improvements and property.

8. Licenses and Permits. Grantee shall be responsible for obtaining all certificates, licenses, permits and other consents and approvals that may be required by any federal, state or local authorities for the construction of the Communications Facility, use of the Premises and the conduct of its business. District shall reasonably cooperate with Grantee, but at no expense to District, in Grantee's efforts to obtain such approvals.

9. Construction and Maintenance.

9.1 Installation of Improvements. Grantee may construct, maintain, install, repair, secure, upgrade, replace, remove and operate on the Premises its Communications Facility in the area as shown on **Exhibit B-1** attached hereto. The Communications Facility shall be constructed, maintained and operated at Grantee's expense. Upon the expiration or termination of this Agreement, for breach or otherwise, Grantee shall remove the Communications Facility in accordance with Section 13.4 of this Agreement. Excluding the Communications Facility, any other improvements and other property and materials installed at the Premises by Grantee shall (at District's option pursuant to Section 13.4 hereof) either be removed as part of the restoration of District's property, or they shall be owned by District free and clear, and surrendered with the Premises without any representation or warranty by Grantee.

9.2 Maintenance and Repairs. Grantee shall maintain the Communications Facility and all equipment installed by Grantee pursuant to this Agreement so as to be safe, clean, in good repair, and have a neat appearance. Grantee shall be responsible for all maintenance and repairs of the Communications Facility and the equipment installed by Grantee, at Grantee's sole expense. Grantee must comply with the notice provisions in Section 2.4 of this Agreement prior to accessing the Premises to perform maintenance and repairs of the Communications Facility. .

9.3 District's Approval. All improvements, modifications, repairs and maintenance shall be constructed, placed and made in a first-class workmanlike manner, in accordance with plans, specifications and schedules reviewed and approved in advance and in writing by District, and shall be coordinated with District and conducted so as not to create an unsafe, unsightly or dangerous condition, or unduly interfere with the conduct of any other activities at the School. District's approval of plans, specifications and schedules shall not be unreasonably delayed or withheld. District agrees that Grantee's use of electrical equipment, a monopole, antennas and related communications equipment customarily used by Grantee does not in itself constitute "an unsafe or dangerous condition" that would give District a right to withhold approval under the terms of this Section.

9.4 Final Approval. Upon completion of construction of the initial improvements, the Director of Facilities and Construction shall review the initial improvements. If they comply with the Site Plan, the District shall provide written approval to Grantee within 14 days of completion of construction.

9.5 Relocation of the Easement. If, during the Initial Term of this Agreement or any Renewal Term of this Agreement, the District determines in its sole discretion that it is necessary to use the area on which the Communications Facility is placed for other purposes, the District may relocate the Premises and the Communications Facility at the District's expense. While the Communications Facility is being relocated, Grantee shall have the right to install a temporary cell on wheels ("COW") at District's expense in a location acceptable to District and Grantee. In such event, the parties agree to execute the necessary documents to reflect the relocation of the Premises.

9.6 Construction Liens. Any worker, material or mechanic's lien filed against District's property, the School and/or the land upon which the School is located, for work claimed to have been done for, or materials claimed to have been furnished to Grantee, shall be discharged by Grantee, by bond or otherwise, within twenty (20) days after Grantee receives written notice of the filing thereof, at Grantee's sole cost and expense.

9.7 Personal Property. Grantee shall make proper arrangements for receiving, handling, storage and installation of its equipment and other personal property. District shall not be liable for any loss, damage or injury to properties of any kind that are shipped or otherwise delivered to the School Site or stored in or at the Premises. District shall assume no responsibility for losses suffered by Grantee, or its agents, employees or invitees, which are occasioned by theft or the disappearance of equipment or other personal property.

9.8 Exculpation. District shall not be liable to Grantee, and Grantee hereby waives any claim in connection with, or against any other persons whatsoever, for any damage occasioned by plumbing, gas, water, steam, sprinkler or other pipe or sewer system, or by the bursting, running, leaking of any tank, water stand, closet, waste or other pipes on District's property or at the School Site, or for any damage occasioned by water being upon or coming through the roof. District shall not be liable for, and Grantee hereby waives any claim in connection with, any failure to furnish or any interruption of water, gas, electricity, hot or cold air, or sewer system, caused by fire, theft, vandalism, accident, riots, strikes, wars, labor disputes, equipment breakdown, or other casualties, including acts of God, to all or any part of the Premises or the School Site, or the making of any repairs or improvements for causes beyond the control of District. Grantee recognizes that certain additions, replacements and repairs to the School Site may be made from time to time or at the direction of District, and agrees that such shall not entitle Grantee to any modification of the terms of this Agreement, or alter the obligations of Grantee hereunder; provided, however, that such additions, replacements or repairs to the School Site, when completed, shall not materially interfere with Grantee's signal or other permitted use of the Premises as described herein.

10. Indemnification. The following provisions of this Section 10 shall survive the expiration or termination of this Agreement, but only for those claims arising out of activities or incidents which occurred while this Agreement was in effect:

10.1 Environmental Matters. Grantee shall be solely responsible for and shall defend, indemnify and hold District, and its board members, officers, employees and agents, harmless from and against any and all direct claims, costs and liabilities, including reasonable attorneys' fees and costs, arising out of or in connection with removal, cleanup or restoration of the Premises or the

School Site caused by Grantee's introduction or use of Hazardous Materials (as defined below) on the Premises or the School Site. District shall be solely responsible for and shall defend, indemnify and hold Grantee, and its officers, employees and agents, harmless from and against any and all direct claims, costs and liabilities, including reasonable attorneys' fees and costs, arising out of or in connection with removal, cleanup or restoration of the Premises or the School Site with respect to Hazardous Materials from any and all sources other than those Hazardous Materials introduced or used on the Premises or the School Site by Grantee. "Hazardous Materials" for purposes of this Section 10.1 shall mean asbestos or any hazardous substance, waste or material as defined in any federal, state or local environmental or safety law or regulation including, without limitation, the Resource Conservation and Recovery Act of 1976, as amended, and the Comprehensive Environmental Response, Compensation, and Liability Act of 1980, as amended.

10.2 General. In addition to Grantee's obligations under Section 10.1, as to District, and its board members, agents, officers and employees, Grantee hereby waives claims for, and agrees to indemnify, defend and save each of them harmless from and against, any and all liability, loss, damage, cost or expense, including, without limitation, defense costs and reasonable attorneys' fees, and claims for damages of any nature whatsoever, including, without limitation, causes of action, suits, demands or judgments in connection with bodily injury, death, personal injury, property damage or contractual liability to the extent arising from or due to (i) any breach or default on the part of the Grantee in the performance of any covenant or agreement hereunder; (ii) any accident, injury to or death of any person, or damage to or loss of property, or any other thing occurring in, on or about the School Site or upon adjoining sidewalks, streets or ways, for which the legal cause is the installation of the Communications Facility, or the use and occupancy of the Premises by Grantee; (iii) any act or omission of Grantee or its officers, directors, partners, employees, agents, contractors, invitees or any person for whose conduct Grantee is legally responsible directly or indirectly; and (iv) any violation by Grantee of any laws affecting the School Site or any part thereof or the ownership, occupancy or use thereof; provided, however, Grantee shall not be liable to District for such claims or damages as may be due to or caused by the negligence or willful misconduct of District, or its board members, officers, employees or agents.

11. Insurance.

11.1 Grantee's Liability Insurance. Grantee shall provide and maintain in full force while this Agreement is in effect, commercial general public liability insurance in an amount of at least One Million Dollars (\$1,000,000) per occurrence and excess liability (or "umbrella") insurance of at least Five Million Dollars (\$5,000,000), in each case with a company given an A.M. Best Rating of A-VII and authorized to do business in Arizona. All required insurance shall provide that insurers will endeavor to provide that District is to be given at least thirty (30) days' advance written notice of any cancellation, material adverse modification or termination of coverage; shall provide that such insurance shall not be reduced or eliminated because of any acts of Grantee or its officers, directors, partners, agents or employees; shall include District as an additional insured; and shall provide that such coverage shall be primary and not contributing with respect to any insurance maintained by District except in the case of District's negligence or willful misconduct. Any rights of District under such insurance shall not limit any rights District may have against Grantee under this Agreement. Grantee shall provide District with Certificates of Insurance. If

Grantee fails to maintain any required insurance, District may purchase it on Grantee's behalf, and Grantee shall upon demand immediately reimburse District for the reasonable cost thereof.

11.2 District's Liability Insurance. District shall provide and maintain in full force while this Agreement is in effect, commercial general public liability insurance in an amount of at least One Million Dollars (\$1,000,000) per occurrence and excess liability (or "umbrella") insurance of at least Five Million Dollars (\$5,000,000), in each case with a company given an A.M. Best Rating of A-VII and authorized to do business in Arizona. District may satisfy this requirement by obtaining the appropriate endorsement to any master policy of liability insurance Grantee may require.

11.3 Personal Property Insurance. District assumes no responsibility for the equipment and other personal property of Grantee.

11.4 Release of Claims. District and Grantee hereby mutually release and discharge each other from all claims, liabilities and rights of action arising from or caused by any hazard covered by insurance on the Premises, or covered by insurance in connection with personal property on, or activities conducted on, the Premises, regardless of the cause or the damage or loss; provided, however, that such release and discharge applies only to the extent that the injured party is compensated for its losses, claims and damages from the proceeds of such insurance.

11.5 Notice. Grantee shall immediately report to District any possible injury, loss or damage that Grantee would reasonably assume would be covered under standard insurance forms which may be covered by indemnification.

12. Transfer.

12.1 By Grantee. Grantee may not assign, mortgage or encumber any interest herein, without obtaining the prior written consent of District, which shall not be unreasonably withheld or delayed; provided, however, that Grantee must first give District written notice of the assignment together with evidence that the assignee is in compliance with the insurance requirements of Section 11.1 and is financially capable of assuming Grantee's liabilities and obligations hereunder (which shall be determined in the District's sole and absolute discretion). Further, as long as District is first given written notice of the assignment together with evidence that the assignee is in compliance with the insurance requirements of Section 11.1, and with respect to (i) and (iv) below, is financially capable of assuming Grantee's liabilities and obligations hereunder (which shall be determined in the District's sole and absolute discretion), Grantee may without District's consent assign, mortgage or encumber an interest herein to a parent, subsidiary or affiliate of Grantee's or Grantee's parent, or to any person or business entity which: (i) is authorized pursuant to an FCC license to operate a wireless communications business; (ii) is the successor or surviving entity resulting from a merger or other plan of reorganization with Grantee; (iii) acquires more than fifty percent (50%) of either an ownership interest in Grantee or the assets of Grantee in the "Metropolitan Trading Area" or "Basic Trading Area" (as those terms are defined by the FCC) in which the Property is located; or (iv) whose primary business function is the management or operation of wireless communications real estate or leases. Upon such assignment, Grantee shall

be relieved of all liabilities and obligations hereunder and District shall look solely to the assignee for performance under this Agreement and all obligations hereunder provided

12.2 By District. District shall have the right to transfer its fee estate in the Property and in connection therewith assign its interests in this Agreement, in whole or in part, without limitation and without the consent of Grantee; provided, however, that any such transfer shall be subject to this Agreement. District shall promptly provide notice of such transfer and assignment to Grantee for payment of the Easement Fee. Upon any such conveyance, District shall automatically be relieved of any obligations under this Agreement other than those obligations which accrued prior to the date of such conveyance. District shall also have the right to mortgage, hypothecate or otherwise pledge its interest in the School and this Agreement to the extent permissible by law.

12.3 Subordination. At District's option, this Agreement shall be subordinate to any deed of trust or mortgage ("**Mortgage**") by District which from time to time may encumber all or part of the Premises; provided, however, every such Mortgage shall recognize, by providing a commercially reasonable subordination, nondisturbance and attornment agreement, the validity of this Agreement and Grantee's rights hereunder in the event of a foreclosure of District's interest as long as Grantee is not in default hereunder beyond the expiration of any applicable notice and cure period. Grantee shall execute whatever commercially reasonable instruments may reasonably be required to evidence this subordination clause.

12.4 Collocation. Grantee shall have the right to collocate other cell or other communications carriers within the Premises.

13. Termination.

13.1 Breach. District may terminate this Agreement upon any material breach hereof by Grantee which remains uncured for thirty (30) days after Grantee's receipt of written notice from District, unless cure of such breach shall be commenced and diligently pursued by Grantee within the thirty (30) day period and continued diligently until such cure is completed, but in no event to exceed a total cure period of ninety (90) days from the notice of default.

13.2 Voluntary Termination by Grantee. Grantee shall have the right to terminate this Agreement at any time without cause, upon written notice to District; provided, however, that any Easement Fees already paid by Grantee shall not be refunded to Grantee.

13.3 Conflict of Interest. Grantee acknowledges that District has the statutory right for three (3) years under A.R.S. § 38-511 to cancel this Agreement if, while this Agreement or any renewal is in effect, any person significantly involved in negotiating, drafting or securing this Agreement on behalf of District is (i) an employee or agent of Grantee in any capacity, or (ii) a consultant to Grantee with respect to the subject matter of this Agreement.

13.4 Restoration. Upon the expiration or termination of this Agreement, for default or otherwise, Grantee shall: (i) within a reasonable period, not to exceed ninety (90) days, remove its electrical equipment and other personal property and fixtures (footings, foundation and concrete will be removed to a depth of two (2) feet below grade), and restore District's real property to its

original condition, subject to reasonable wear and tear and such real property improvements (but excluding any portions of the Communications Facility) as District notifies Grantee in writing are to remain, all of which shall be and remain the property of District, and peaceably and quietly surrender the Property to District; and (ii) immediately provide District with a recordable Quitclaim Deed releasing and terminating all of Grantee's rights and interests hereunder and under the recorded Memorandum of Agreement.

13.5 Continuing Obligations. Upon the expiration or termination of this Agreement for default or otherwise, (i) none of the money paid by Grantee to District shall be refundable under any circumstances; and (ii) this Agreement shall terminate, and the parties shall have no further rights or obligations hereunder except that the obligations and rights of the parties regarding payments owed and indemnification for the period this Agreement was in effect, and the restoration of District's property, shall survive.

14. Notices. Any notice required or permitted under the terms of this Agreement or otherwise shall be deemed sufficiently given or served if in writing three (3) days after being deposited for mailing by United States certified mail, return receipt requested, postage prepaid, addressed as follows (or any other address that the party to be notified may have designated to the sender by like notice):

In the event that either party hereto shall institute suit to enforce any rights hereunder, the prevailing party shall be entitled to recover its court costs and reasonable attorneys' fees, which award of attorneys' fees shall be made by the court and not by the jury or trier of fact. Upon appeal, the prevailing party shall be entitled to recovery of its court costs and reasonable attorneys' fees incurred as a result of such appeal.
