Direction
Mr. Quintana recommended the Governing Board provide its delegate with direction in voting at the Arizona School Boards Association’s Delegate Assembly on September 10, 2016. Mr. Aldama moved to direct the delegate in voting in favor of the proposed political agenda and Ms. Smith seconded the motion. Upon call to vote, the motion carried.

BOARD AND SUPERINTENDENT STRATEGIC GOALS
Goal Progress
The Governing Board discussed the District’s progress towards Board and Superintendent Strategic Goals. Mr. Quintana reported having rolled out the new goals at the Welcome Back event on August 2nd.

DISCUSSION ITEM
Proposed Entertainment District
The Governing Board discussed the City of Glendale’s entertainment district proposal. Mr. Quintana reported having received additional information about the City’s proposal from Mr. Aldama and noted each Board member had been provided copies of these documents with their agendas. Mr. Quintana deferred to Mr. Aldama to provide an overview about the City’s proposed entertainment district. Mr. Aldama shared the web address for community members to provide feedback on the issue at: http://www.glendaleaz.com/feedback.cfm.

Mr. Quintana read the statement Ms. Bartels had given a local newspaper when asked about the issue:

The Governing Board is studying the issue, and as yet has not taken a position. However, as a matter of principle, we oppose anything that would endanger our students. It is our hope that the city council will carefully study the effects of any similar policies in other municipalities, and put the safety of our city's children first before making a decision on this matter.

Ms. Smith stated her agreement with Ms. Bartels statement and that she opposes any measure that would put establishments serving alcohol adjacent to schools.

Ms. Bartels proposed asking the City if the District could host a community forum for both the Board and members of the community to hear more details about the proposal and provide their feedback.

Ms. Wilson encouraged everyone to study the issue and provide their feedback to the City through the online survey.

FUTURE MEETINGS AND EVENTS
Future Meetings: The Board reviewed the list of upcoming meetings and planned agenda items.

Mr. Quintana noted the need to move the September Regular Meeting due to a conference four Board members will be attending on the 15th. Ms. Smith is not available on the 1st. Mr. Quintana suggested August 30th. Ms. Powell will work with Board members to finalize a date.

Agenda Item Requests: Governing Board Members were given the opportunity to request items to be included on future meeting agendas for discussion, information and/or action. Mr. Aldama will work with Mr. Quintana to schedule the aforementioned community forum.

SUMMARY OF BOARD AND SUPERINTENDENT CURRENT EVENTS
Mr. Quintana recognized everyone who contributed to a successful start to the school year.

Ms. Smith relayed her third grader’s excitement to be taking the AZ MERIT this year. She also reported her seventh grader had achieved a perfect score on the ELA portion of the AZ MERIT.
Ms. Wilson complimented the Human Resources department on their work to prepare for a welcoming week for new teachers. Ms. Wilson reported Mr. Aldama had drafted a thank you note for the Maintenance Department from the Board to present to the department’s staff.

ADJOURNMENT
Mr. Aldama moved to adjourn the meeting and Ms. Smith seconded the motion. Upon call to a vote, the motion carried and the regular meeting adjourned at 7:00 p.m.

SERVICES AGREEMENT
ARIZONA STATE UNIVERSITY
And
Glendale Elementary School District #40

This Agreement is entered into as of August 16, 2016, between the ARIZONA BOARD OF REGENTS, a body corporate, for and on behalf of ARIZONA STATE UNIVERSITY, AMERICAN DREAM ACADEMY (ADA) and Glendale Elementary School District #40.

A. Scope of Services: ADA will provide a parent training course ("The American Dream Academy") for the parents of the children enrolled in the Glendale Elementary School District #40 identified in Section B. ADA will recruit parents by phone, provide an Introductory and Recruitment Session, a series of weekly training sessions for parents culminating in a graduation ceremony with certificates. The training is designed to develop skills and techniques which will enable parents to address the educational needs of their school-aged children. The term of this agreement is August 16, 2016 through June 30, 2017.

B. Location(s):
Melvin E. Sine School, Desert Spirit School, Glendale Landmark and Challenger

C. Fees: The District will be billed $6,500 per program regardless of the number of parent graduates. The district fee per school will be reduced by a grant of $750 per school, for a total of $5,750. A parent graduate is defined as a person with a child enrolled in any of the participating schools, registered for the ADA program. ASU and its funding partners will subsidize the remaining portion of the cost.

D. Class Size: The ADA program is predicated on the notion that effective program outcomes are realized only when reasonably sized groups of parents participate in the program’s activities. Thus, in order to form any class for any given language group, we require that the class have at least eight (8) parents from that language group. If fewer than eight (8) parents from a specific language group do not register for the program, then ADA staff will meet with the principal to decide if the class should be cancelled. ADA understands the many community demands faced by school leaders and will make every effort to work with the school to meet those demands. However, at this point the program is offered only in English and Spanish.

E. School Procedures: ADA adheres to all Glendale Elementary School District #40 procedures such as lockdowns, fire drills, evacuations, etc. We ask that the School provide advance notice, when possible, of any such event prior to program implementation so that the program team can be properly notified and informed.

F. Child Watch Services: The schools are strongly encouraged to provide child care for all parents participating in the program. In case the School decides to provide child care, the
cost and administration of the child care is the sole responsibility of the Glendale Elementary School District # 40.

G. Security: Security and the enforcement of any and all other security related requirements on School property are the responsibility of the school. ADA will adhere to any and all building regulations and expects all ADA staff and parent attendees to do so as well.

H. Walk-Through: Prior to the implementation of the program, ADA staff will do a facility walk-through at the school to specifically locate all rooms available for the morning and evening sessions as well as any other pertinent information such as accessible bathrooms for evening sessions, accessible parking lots for parents and staff, classroom signage, and information regarding other school personnel who will be available during evening sessions to assist in various logistical tasks, including opening of classrooms.

I. Termination: This agreement may be terminated by either party with 30 days’ notice in writing. The parties acknowledge that this agreement is subject to cancellation by either party pursuant to the provisions of A.R.S. §38-511. See also Section J. If the Glendale Elementary School District cancels the program with less than thirty (30) days’ notice, a termination fee of $1,300 will be assessed.

J. Recruitment: The success of the program depends largely on a large-scale telephone recruitment campaign. The campaign is carried out by the American Dream Academy Call Center. Thus, it is imperative that schools make available the school telephone list, at least two weeks prior to the start date of the program. If the list if not provided, this will be interpreted as a decision by the school to cancel the program with less than 30 days’ notice, and a termination fee of $1,300 will be assessed.

K. Additional School Requirements: ADA shall comply with the applicable requirements as set forth under A.R.S. §15-512. Each school shall advise ADA in advance as to the expected requirements and ADA shall determine whether or not it is able to proceed with the course offering.

L. Insurance: ADA represents and warrants that it is insured through the State of Arizona, Department of Administration, pursuant to A.R.S. §41-621.

M. Default and Remedies: Any one of the following events shall be deemed to be an “Event of Default” hereunder.

   i. Failure by either party to perform as specifically described herein.

   ii. A court having jurisdiction over any of the parties shall enter an order for relief in any involuntary case commenced against the applicable party as debtor under the Federal Bankruptcy Code or the entry of a court decree or order appointing a custodian, receiver, liquidator, assignee, trustee, or other similar official.

Upon the occurrence of an “Event of Default,” the non-defaulting party (1) shall have all the remedies afforded by law and in equity; and (2) shall have the right to terminate this Agreement.
N. Miscellaneous:

i. Each party shall be responsible for its and its agents' negligence, actions and omissions.

ii. Neither party shall have the right to assign this Agreement without the prior written consent of the other party.

iii. This Agreement constitutes the entire agreement and understanding of the parties with respect to its subject matter. No prior or contemporaneous agreement or understanding will be effective.

iv. The laws of Arizona shall govern this Agreement, and the Arizona state courts shall have jurisdiction over its subject matter.

v. Any notice required under this agreement shall be in writing and may either be given by personal delivery or sent by regular mail addressed to the following:

a. Nondiscrimination: The parties will comply with all applicable state and federal laws, rules, regulations, and executive orders governing equal employment opportunity, immigration, and nondiscrimination, including the Americans with Disabilities Act. If applicable, the parties will abide by the requirements of 41 CFR §§ 60-1.4(a), 60-300.5(a) and 60-741.5(a). These regulations prohibit discrimination against qualified individuals based on their status as protected veterans or individuals with disabilities, and prohibit discrimination against all individuals based on their race, color, religion, sex, or national origin. Moreover, these regulations require that covered prime contractors and subcontractors take affirmative action to employ and advance in employment individuals without regard to race, color, religion, sex, national origin, protected veteran status or disability.

b. Conflict of Interest: In accordance with Arizona Revised Statutes ("A.R.S.") § 38-511, ASU may cancel this Agreement within three years after the execution of this Agreement, without penalty or further obligation, if any person significantly involved in initiating, negotiating, securing, drafting, or creating this Agreement on behalf of ASU, at any time while this Agreement or any extension thereof is in effect, is an employee or agent of any other party to this Agreement in any capacity or a consultant to any other party with respect to the subject matter of this Agreement. Notice is provided of A.R.S. § 41-753D.

c. Arbitration in Superior Court: In the event of litigation, as required by A.R.S. § 12-1518, the parties agree to make use of arbitration in all contracts that are subject to mandatory arbitration pursuant to rules adopted under A.R.S. § 12-133.

d. Records: To the extent required by A.R.S. § 35-214, the non ASU parties to this Agreement (jointly and severally, "Entity") will retain all records relating to this Agreement. Entity will make those records available at all
reasonable times for inspection and audit by ASU or the Auditor General of the State of Arizona during the term of this Agreement and for a period of five years after the completion of this Agreement. The records will be provided at Arizona State University, Tempe, Arizona, or another location designated by ASU on reasonable notice to Entity.

e. Failure of Legislature to Appropriate: In accordance with A.R.S. § 35-154, if ASU's or the District's performance under this Agreement depends on the appropriation of funds by the Arizona Legislature, and if the Legislature fails to appropriate the funds necessary for performance, then ASU or the District may provide written notice of this to Entity and cancel this Agreement without further obligation of ASU. Appropriation is a legislative act and is beyond the control of ASU.

f. E-Verify: To the extent applicable under A.R.S. § 41-4401, the parties warrant their compliance with all federal immigration laws and regulations that relate to their employees and compliance with the E-verify requirements under A.R.S. § 23-214(A). A party's breach of the above-mentioned warranty shall be deemed a material breach of the Agreement and may result in the termination of the Agreement by either party under the terms of this Agreement. The parties each retain the legal right to randomly inspect the papers and records of the other party to ensure that the other party is complying with the above-mentioned warranty. The parties warrant to keep their respective papers and records open for random inspection during normal business hours by the other party. The parties shall cooperate with the other party's random inspections including granting the inspecting party entry rights onto their respective properties to perform the random inspections and waiving their respective rights to keep such papers and records confidential.

g. Student Educational Records: Student educational records are protected by the federal Family Educational Rights and Privacy Act, 20 U.S.C. § 1232g ("FERPA"). Both parties will comply with FERPA and will not access or make any disclosures of student educational records to third parties without prior notice to and consent as otherwise provided by law. If this Agreement contains a scope of work or any provision that requires or permits the parties to access or release any student records, then, for purposes of this Agreement only, the parties hereby designates each other as a "school official" for ASU under FERPA, as that term is used in FERPA and its implementing regulations. As such, both parties will comply with FERPA and will not make any disclosures of students' educational records to third parties without prior notice to, and consent from, ASU or the District or as otherwise permitted by law. In addition, any access or disclosures of student educational records made by either party, its employees and agents must comply with ASU's definition of legitimate educational purpose, which definition can be found at: SSM 107-01: Release of Student Information.
(http://www.asu.edu/aad/manuals/ssm/ssm107-01.html). If either party violates the terms of this section, the party will immediately provide notice of the violation to the other.

Scope of District's Authority to Discipline an Employee for Misconduct

The District may exercise its authority to discipline an employee for misconduct that occurs:

- In any other circumstance in which the District can lawfully exert its authority to discipline an employee for misconduct.

Examples of Possible Consequence for Misconduct

This policy is not intended to restrict or eliminate the discretion traditionally afforded to supervising administrators to determine whether discipline is appropriate. Supervising administrators are expected to exercise discretion in determining whether a particular alleged violation merits discipline. Possible consequences for misconduct may include nondisciplinary action and/or disciplinary action.

Nondisciplinary actions include, but are not necessarily limited to:

- Informal consultations or counseling;
- Verbal warnings;

Statutory Requirements

Certificated staff members disciplined under A.R.S. 15-341, A.R.S. 15-539, or other applicable statutes:

A. May not be suspended with or without pay for a period exceeding ten (10) school days under A.R.S. 15-341.
B. May be suspended without pay for a period of time greater than ten (10) school days; or
Letters of Reprimand/Suspension with or without Pay for up to Ten Working Days

The following procedures will be followed when a situation arises that may result in the imposition of a letter of reprimand or suspension with or without pay for up to ten (10) working days:

- **Notice of charge.** The designated District-level administrator will provide the employee with verbal or written notice of the charges against the employee.

- **Opportunity to respond (hearing).** The employee will be provided the opportunity to provide his/her response to the charges. The employee will also be offered the opportunity to provide the administrator with any relevant documents and the names of any witnesses having relevant information.

- **Complete investigation.** The administrator will conduct any further investigation that appears necessary to help ensure that the information upon which the proposed disciplinary action is based is complete and accurate.

- **Decision regarding discipline.** The administrator will make a decision regarding what disciplinary action, if any, to impose.

- **Written notice regarding discipline.** If the administrator decides no discipline is warranted, the administrator will provide this information in writing to the employee. If the administrator decides to issue a letter of reprimand or impose a suspension with or without pay for up to ten (10) working days, the administrator will provide the employee with written notice of the decision. The written notice should contain the following information:
  - A statement of the disciplinary action being taken.
  - The factual basis for the disciplinary action.
  - Any special conditions or limitations to be placed upon the employee during the disciplinary period, if any. (i.e., requirement to remain off District property during period of suspension).
  - Notice that the employee may prepare a written response and that the employee’s written response will be attached to the notice of disciplinary action.
  - A statement that the written notice regarding discipline will be placed in the employee’s personnel file.
  - Notice of the employee’s right to appeal the decision.
  - **Employee’s signature on notice of discipline.** The employee will be directed to sign the notice of disciplinary action to affirm receipt of the document. The employee’s signature on the notice will not be deemed to signify the employee’s agreement with its contents.

- **Appeal of discipline.** The employee may appeal the disciplinary decision within ten (10) calendar days of the date of the decision or the right to appeal is waived. The appeal must be submitted to the Superintendent, and contain any relevant documents and include the following information (to the extent necessary to support the employee’s appeal):
■ A detailed explanation of what facts, if any, the employee believes the administrator omitted, misunderstood or improperly considered in the decision making process.

■ A detailed explanation of what conclusions, if any, the employee believes the administrator incorrectly or improperly made based upon the facts at issue. (i.e., why the disciplinary action is not warranted or is too harsh).

■ A detailed explanation of what violations of procedure, or law, if any, the employee feels the administrator committed relative to the investigation of the employee's misconduct or the disciplinary decision.

■ Any other information the employee believes is relevant to the matter.

Note: If the discipline was imposed by the Superintendent, the employee's appeal will be considered a request for reconsideration by the Superintendent.

● Stay of discipline pending outcome of appeal. Imposition of the disciplinary action will be postponed pending the outcome of the appeal process. However, the Superintendent may temporarily reassign the employee with pay pending the outcome of the appeal process if the Superintendent deems the reassignment to be in the best interest of the District.

● Decision on appeal. The Superintendent may make a decision regarding the appeal based upon the written record, or may invite the parties to meet for the purpose of presenting additional information, clarification or explanation. The Superintendent’s decision is final, unless the Superintendent has affirmed his/her own decision on appeal. If the Superintendent has affirmed his/her own decision on appeal, the employee may then request that the Superintendent submit the appeal to the Governing Board. The Governing Board may choose to consider the appeal itself or may appoint a hearing officer to do so.

● Written decision on appeal. The Superintendent or hearing officer will make every effort to provide the parties with a written response to the appeal within fourteen (14) working days from the date the appeal was submitted. If the Governing Board is considering the appeal, the Governing Board will generally act upon the appeal at the next regularly scheduled Board meeting following submission of the appeal or as soon thereafter as is practicable.

Long Term Suspension or Dismissal

In the case of suspension without pay for more than ten (10) school days or dismissal, employees will be afforded the notice, hearing and appeal procedures set forth in the applicable statutes.

Adopted: March 1, 2005

or dismissed under A.R.S. 15-539.

C. Shall be disciplined under procedures that provide for notice, hearing, and appeal, subject to the requirements of A.R.S. 15-341 or A.R.S. 15-539, whichever is appropriate.

D. Shall, if disciplined under A.R.S. 15-539 or other applicable statutes, excluding A.R.S. 15-341, receive notice in writing served upon the certificated staff member personally or by United States registered or certified mail addressed to the employee's last-known address. A copy of charges specifying instances of behavior and the acts of omissions constituting the charge(s), together with a copy of all applicable statutes, shall be attached to the notice.
E. Shall have the right to a hearing in accordance with the following:

1. **Suspension under A.R.S. 15-341.** The supervising administrator will schedule a meeting not less than two (2) days nor more than ten (10) days after the date the certificated staff member receives the notice.

2. **Dismissal or dismissal with suspension included under A.R.S. 15-539.** A certificated staff member's written request for a hearing shall be filed with the Board within ten (10) days after service of notice. The filing of a timely request shall suspend the imposition of a suspension without pay or a dismissal pending completion of the hearing.

**General Provisions for Discipline Under A.R.S. 15-341**

General provisions for discipline are as follows:

A. **Informal consultation.** Nothing contained herein will limit a supervising administrator's prerogative to engage in informal consultation with a certificated employee to discuss matters of concern related to the employee's performance, conduct, et cetera; however, when it is apparent that disciplinary action toward a certificated employee is likely to become a part of the certificated staff member's personnel record as permitted by A.R.S. 15-341, the procedures outlined herein shall be followed.

B. **Persons authorized to impose discipline.** Any supervising administrator who is the immediate or primary supervisor of a certificated staff member is authorized to impose a penalty or penalties, short of dismissal. Only the Board may dismiss a certificated staff member.

C. **Notice.** Any person who is required by this policy to give written notice to any other person affected by this policy may do so by any means reasonably calculated to give the recipient actual knowledge of the notice within a reasonable amount of time. When time is calculated from the date a notice is received, the notice is deemed to be received on the date it is hand delivered or three (3) calendar days after it is placed in the mail.

D. **Administrative discretion.** In adopting these policies and procedures, it is the intention of the District that they be interpreted and applied in a reasonable fashion. The policies and regulations are not intended to restrict or eliminate the discretion traditionally afforded to supervising administrators to determine whether discipline is appropriate. Supervising administrators are therefore directed to continue to use reasonable discretion in determining whether a particular alleged violation merits discipline.

E. **Right not to impose discipline.** The District reserves the right not to discipline a certificated staff member for conduct that violates this policy.

F. **Definition of work days.** For the purposes of this policy, a work day is any day that the District's central administrative office is open for business.

G. **Additional reasons for discipline.** A certificated staff member may be disciplined for conduct that has occurred but that, at or near the time of misconduct, was not the subject of or identified as a reason for a specific proceeding under this policy.

**Procedure for Discipline Under A.R.S. 15-341**
The following procedures will be used to impose any discipline that 1) shall become a part of the certificated staff member's personnel record and 2) is permitted under A.R.S. 15-341:

**Step 1 - Notice:**

A. Upon the supervising administrator's determination of the existence of cause to impose discipline, the supervising administrator shall notify the certificated staff member of intent to impose discipline. The notice shall be in writing and shall be delivered in person or by first-class mail. The notice shall include the following:

1. The conduct or omission on the part of the certificated staff member that constitutes the reason for discipline.

2. A scheduled meeting time between the supervising administrator and the certificated staff member. Such meeting shall be scheduled not more than ten (10) working days after the date the certificated staff member receives the notice.

3. A statement of the disciplinary action the supervising administrator intends to impose, including, if applicable, the number of days of suspension with or without pay.

4. Copies of any available relevant documentation, at the discretion of the supervising administrator.

**Step 2 - Discipline Hearing:**

A. At the hearing, the supervising administrator shall discuss with the certificated staff member the conduct that warrants disciplinary action and shall provide the certificated staff member with any appropriate evidence and a copy of relevant documentation if not previously provided.

B. The supervising administrator shall conduct the hearing in an informal manner, without adherence to the rules of evidence and procedure required in judicial proceedings.

**Step 3 - Decision (in writing):**

At the hearing, or within ten (10) working days following the hearing, the supervising administrator shall, in writing, inform the certificated staff member of the decision. If the decision is to impose discipline, written notice of the discipline shall be enclosed. The written notice of the decision shall state that a copy of the notice, decision, and a record of the disciplinary action shall be placed in the certificated staff member's personnel file and shall specify the date the discipline shall be imposed unless the certificated staff member files a written request for appeal within five (5) working days after the decision is delivered to the certificated staff member. If the certificated staff member requests an appeal of the decision, the imposition of any discipline shall be suspended pending the outcome of the appeal.

**Step 4 - Appeal:**

Discipline imposed may be appealed at the next organizational level, in writing, to the appropriate assistant superintendent or the Superintendent. Only when the discipline is determined by the Superintendent shall the appeal be to the Board, which, at its discretion, may appoint a hearing officer. The appeal shall contain a brief statement of the reasons why the certificated staff member believes the administrator's decision is incorrect. Appeal is limited to one (1) organizational level above the level of the supervising administrator who imposed the discipline.
The appeal shall specifically describe the part of the determination with which the certificated staff member disagrees:

A. Determination was founded upon error of construction or application of any pertinent regulations or policies.
B. Determination was unsupported by any evidence as disclosed by the entire record.
C. Determination was materially affected by unlawful procedure.
D. Determination was based on violation of any statutory or constitutional right.
E. Determination was arbitrary and capricious.
F. The penalty was excessive.

The supervising administrator, the Superintendent, or, when appropriate, the Board or the Board-appointed hearing officer may, at the conclusion of the appeal, uphold the discipline, modify the decision, or refer the matter back to the level from which it was appealed for rehearing and additional information. Such decision, along with specific direction as to the effective date of any discipline, shall be communicated to the certificated staff member within a reasonable amount of time following the appeal, not to exceed seven (7) working days.

The assigned hearing officer shall, by use of a mechanical device, make a record of the appeal hearing.

This policy, under A.R.S. 15-341, does not apply to dismissal of a certificated staff member except to the extent that the Board may find, subsequent to dismissal proceedings, that a lesser form of discipline as set forth in this policy should be imposed.

Not all administrative actions regarding a certificated staff member are considered "discipline," even though they may involve alleged or possible violations by the certificated staff member. This policy addresses only discipline and has no application to any of the following:

A. The certificated staff member evaluation procedure or the resulting evaluations as they pertain to the adequacy of the certificated staff member's classroom performance.
B. Letters or memorandums directed to a certificated staff member containing directives or instructions for future conduct.
C. Counseling of a certificated staff member concerning expectations of future conduct.
D. Nonrenewal of a contract of a certificated staff member employed by the District for less than the major portion of three (3) consecutive school years (noncontinuing certificated staff member).

**General Provisions for Suspension Without Pay or Dismissal Under A.R.S. 15-539**

**Step 1 - Notice:**

A. The Governing Board, except as otherwise provided by A.R.S. 15-539, shall upon receipt of a written statement of charges from the Superintendent that cause exists for the suspension of a
certificated teacher without pay for a period longer than ten (10) school days or dismissal, shall give notice to the teacher of the Board’s intention to suspend without pay or dismiss the teacher at the expiration of ten (10) days from the date of service of the notice.

1. If charges presented to the Board for dismissal of a certificated person allege immoral conduct, the charge or a resignation involving such charges shall be reported to the Department of Education.

2. Whenever the statement of charges by the Superintendent allege immoral or unprofessional conduct as the cause for dismissal, the Board may adopt a resolution to file a complaint with the State Department of Education. Pending disciplinary action by the State Board, the certificated teacher may be reassigned by the Superintendent or the Governing Board may place the teacher on administrative leave and give notice to the teacher of the administrative leave of absence pursuant to A.R.S. 15-540.

3. As used in this policy, immoral conduct means any conduct that is contrary to the moral standards of the community and that reflects an unfitness to perform the duties assigned to the certificated staff member.

B. The Governing Board, upon adoption of a written statement charging a certificated teacher with cause for suspension without pay or dismissal, may immediately place the teacher on administrative leave of absence and give the teacher notice of the administrative leave of absence.

C. Written notice of the administrative leave of absence shall be served on the teacher personally or by United States registered mail addressed to the teacher at the teacher's last known address.

**Step 2 – Hearing for Suspension Without Pay or Dismissal:**

A. The Governing Board shall decide whether to hold a hearing on the dismissal or suspension of a certificated teacher without pay for a period of time longer than ten (10) days as provided in A.R.S. 15-541.

**(OPTIONS)** - The Governing Board may provide, *(A) by policy or (B) vote* at its annual organizational meeting, that all hearings conducted pursuant to this section shall be conducted before a hearing officer.

B. If the Governing Board decides not to hold a hearing, the Board shall designate a hearing officer to:

1. hold the hearing,

2. hear the evidence,

3. prepare a record of the hearing, and

4. issue a recommendation to the Board for action.

C. If the parties cannot mutually agree on a hearing officer, a hearing officer shall be selected by the Governing Board from a list provided by the State Department of Education or the American Arbitration Association.

D. A hearing held pursuant to A.R.S. 15-541 may not be conducted by any hearing officer having a personal interest which would conflict with the hearing officer's objectivity in the hearing.
E. The hearing shall be held:

1. not less than fifteen (15) days, nor

2. not more than thirty (30) days.

3. after the request is filed, unless all parties to the hearing mutually agree to a different hearing date.

F. Notice of the time and place of the hearing shall be given to the teacher not less than three (3) days before the date of the hearing.

G. The teacher may request that the hearing be conducted in public or private.

H. The Governing Board shall provide any officer, appointee, or employee to be considered or discussed at a meeting with written notice of the executive session as is appropriate but not less than twenty-four (24) hours for the officer, appointee, or employee to determine whether the discussion or consideration should occur at a public meeting.

I. At the hearing the teacher may appear in person and by counsel, if desired, and may present any testimony, evidence or statements, either oral or in writing, in the teacher's behalf.

J. An official record of the hearing, including all testimony recorded manually or by mechanical device, and exhibits shall be prepared by the Governing Board or the hearing officer.

K. The teacher who is the subject of the hearing may not request that the testimony be transcribed unless the teacher agrees in writing to pay the actual cost of the transcription.
